

ELITE HUNTER 338 CALIBER (0.338") HYBRID BULLETS - BERGER BULLETS 338 CALIBER (0.338") 250GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Like the Classic Hunters, these Elite Hunter bullets combine the best of both tangent and secant ogive features, resulting in high ballistic performance with less sensitivity to seating depth. The Elite Hunter bullets are not limited to SAAMI standards, so they have much longer noses than the Classic Hunter bullets to provide hunters with the highest ballistic performance possible.

Safety Instruction Guide for ELITE HUNTER 338 CALIBER Hybrid Bullets

Introduction

Thank you for choosing the ELITE HUNTER 338 CALIBER (0.338") Hybrid Bullets by Berger Bullets. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully to understand the risks and precautions associated with these bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition and firearms.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Inspect bullets for any signs of damage or defects before use.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when handling or shooting firearms.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for the .338 caliber.
- Avoid using bullets that show any signs of corrosion, deformation, or other damage.
- Do not exceed the recommended load data provided by your firearm manufacturer or reloading manual.
- Be aware of your surroundings and ensure a safe shooting environment, free from obstructions and bystanders.
- Always follow the manufacturer's instructions for your specific firearm when loading and firing ammunition.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure that the firearm is pointed in a safe direction and the safety is engaged.
- Open the action and visually inspect the chamber to ensure it is clear.
- Carefully load the bullets into the magazine or chamber according to the firearm's manual.
- Close the action and disengage the safety when ready to fire.

2. Firing the Bullets:

- Always maintain a proper shooting stance and grip on the firearm.
- Aim at the intended target and be aware of what lies beyond it.
- Squeeze the trigger gently to fire the bullet, avoiding jerking or rapid movements.
- After firing, keep the firearm pointed in a safe direction and wait a few moments to ensure the bullet has exited the barrel.

3. PostUse Handling:

- After use, clean your firearm according to the manufacturer's instructions to ensure optimal performance.
- Store any unused bullets in their original packaging and in a secure location.

Disposal Instructions

- Do not dispose of bullets or ammunition in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for hazardous materials.
- If you have damaged or unused bullets, consider returning them to the retailer or manufacturer for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety of the ELITE HUNTER 338 CALIBER Hybrid Bullets, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with the ELITE HUNTER 338 CALIBER Hybrid Bullets. Always prioritize safety and be responsible when handling firearms and ammunition. Thank you for your attention to these important safety measures.
