

STAINLESS STEEL CASE TRIMMER - L.E. WILSON STAINLESS CASE TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The L.E. Wilson Stainless Steel Case Trimmer is the most accurate case trimmer in the world! The unique way the case is held assures your cases are aligned square to the cutter during trimming and that the trimmed length is identical for each case. The L.E. Wilson trimmer uses case holders that hold the case neck by the body taper and utilizes no pilots during the case trimming operation. The trimmer utilizes a rail system that the case holders, cutter housing, and adjustment stop sits on providing perfect alignment with each other. Trimmer case holders are available separately.

Safety Instruction Guide for the L.E. Wilson Stainless Steel Case Trimmer

Introduction

Thank you for choosing the L.E. Wilson Stainless Steel Case Trimmer. This product is designed to provide accurate and efficient trimming of cartridge cases. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Inspect the trimmer and its components for any damage before use.
- Ensure that the work area is clean and free of distractions.
- Do not use the trimmer if you are tired or under the influence of substances that may impair your judgment.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Cutting Hazards:** The cutter is sharp and can cause severe injury. Always handle with care.
- **Eye Protection:** Wear safety goggles to protect your eyes from metal shavings and debris.
- **Work Surface:** Ensure that the trimmer is placed on a stable and flat surface to prevent tipping or slipping during use.
- **Proper Grip:** Always maintain a firm grip on the trimmer while in use to prevent accidental slips.
- **No Loose Clothing:** Avoid wearing loose clothing or jewelry that may get caught in the trimmer.
- **Avoid Distractions:** Focus on the task at hand and avoid multitasking while using the trimmer.

Instructions for Installation and Usage

1. Setup:

- Place the trimmer on a stable, flat surface.
- Ensure that all components are securely attached and in good condition.

2. Using the Trimmer:

- Select the appropriate case holder for your cartridge case.
- Insert the case into the holder, ensuring it is aligned properly.
- Adjust the cutter to the desired length as per your requirements.
- Activate the trimmer according to the manufacturer's instructions, ensuring that your hands and face are clear of the cutting area.

3. PostUse Care:

- After trimming, carefully remove the case from the holder.
- Clean the trimmer and surrounding area to remove any metal shavings or debris.
- Store the trimmer in a safe place, out of reach of children.

Disposal Instructions

- Dispose of the trimmer and any damaged components in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the L.E. Wilson Stainless Steel Case Trimmer, please refer to the manufacturer's contact points as provided in the product packaging or documentation.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson Stainless Steel Case Trimmer. Thank you for your attention to safety.
