

HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS - BERGER BULLETS HYBRID TARGET 30 CALIBER (0.308") 230GR HYBRID BT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballisticians and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

Attributes

- Name: [BERGER BULLETS HYBRID TARGET 30 CALIBER \(0.308"\) 230GR HYBRID BT 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749013813
- Mfr. No.: 30430
- Ballistic Coefficient (G1): 0.717
- Ballistic Coefficient (G7): 0.368
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 230
- Sectional Density: -
- Quantity: 100
- Delivery weight: 1.542kg
- Shipping height: 64mm
- Shipping width: 86mm
- Shipping length: 86mm
- UPC: 679459304306

Item details

Made in USA

US export classification: 0A505.x

Consumer Safety Instruction Guide for HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS

Introduction

Thank you for choosing the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure safe usage and handling of this product. Please read this document thoroughly before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the bullets by following all instructions carefully. These bullets are designed for specific applications and should only be used as intended.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify the authenticity of the product before use.
- **Special Consumer Focus:** Extra care should be taken when handling these bullets, especially around vulnerable groups such as children. Always store ammunition out of reach of children.
- **EU Contact Point:** For any safety inquiries, it is important to contact the appropriate EU-based support channels.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on safety alerts related to this product.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care. Treat all ammunition as if it is loaded.
 - Avoid dropping or jarring the bullets to prevent accidental discharge.
- **Storage:**
 - Store bullets in a cool, dry place away from direct sunlight and moisture.
 - Keep ammunition locked up and out of reach of children and unauthorized users.
- **Transportation:**
 - When transporting bullets, use a secure and approved container.
 - Ensure the container is clearly labeled and stored in a safe location within the vehicle.
- **Shooting Environment:**
 - Only use these bullets in a controlled and safe shooting environment.
 - Ensure that all safety measures are in place at the shooting range or location.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is compatible with .308 caliber ammunition before use.

- Follow the manufacturer's instructions for loading and unloading the firearm.

- **Usage:**

- Always wear appropriate eye and ear protection while shooting.
- Maintain a safe distance from others while shooting.
- Follow all local laws and regulations regarding firearm usage.

- **Maintenance:**

- Regularly inspect your firearm for any signs of wear or damage.
- Clean your firearm according to the manufacturer's instructions after each use to ensure optimal performance.

Disposal Instructions

- **Disposal of Unused Bullets:**

- Do not throw away unused bullets in regular trash. Instead, contact local authorities for proper disposal methods.

- **Expired or Damaged Bullets:**

- If bullets are expired or damaged, handle them with care and dispose of them according to local hazardous waste guidelines.

Contact Information for Further Support

For any inquiries regarding safety, usage, or disposal of the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS, please reach out to the appropriate support channels as indicated on the product packaging or your purchase receipt.

Thank you for prioritizing safety while using Berger Bullets. Always remember that responsible handling and usage are key to ensuring a safe shooting experience.
