[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger Hybrid OTM (Open Tip Match) Tactical Bullets utilize Berger's industry-leading hybrid ogive, which blends tangent and secant designs to optimize efficiency, reduce wind-drift, and minimize sensitivity to seating depth. The Hybrid OTM Tactical Bullets are competition proven and a favorite amongst today's top Mil/LE professionals, long range competition shooters and others for range, target, and tactical applications. Made with J4 Precision Jackets, the Hybrid OTM Tactical Bullets like all other Berger Bullets, have exacting tolerance and near perfect construction.

# Safety Instruction Guide for HYBRID TACTICAL 338 CALIBER OTM BULLETS

## Introduction

Thank you for choosing the HYBRID TACTICAL 338 CALIBER (0.338") OTM BULLETS by Berger Bullets. This guide provides important safety instructions to ensure the safe and effective use of our product. Please read this document carefully to understand how to handle, use, and dispose of the bullets safely.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of ammunition.
- Always treat all bullets as if they are live and capable of causing harm.
- Keep ammunition out of reach of children and unauthorized individuals.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Regularly inspect your ammunition for signs of damage or deterioration.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always use appropriate safety gear, such as eye and ear protection, when handling or firing ammunition.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that your firearm is compatible with the 338 caliber bullets before use.
- Avoid using bullets that show signs of corrosion, denting, or other damage.
- Do not mix different types of ammunition or reloads.
- Follow all firing range rules and guidelines to ensure a safe shooting environment.
- If you experience any malfunctions while using the bullets, cease use immediately and seek assistance.

## Instructions for Installation and Usage

1. **Check Compatibility:** Ensure your firearm is designed for 338 caliber ammunition.
2. **Loading:**
  - Open the ammunition box carefully.
  - Load bullets into the magazine according to the manufacturer's instructions for your firearm.
3. **Firing:**
  - Follow standard firearm handling procedures.
  - Ensure the area is clear of unauthorized personnel before firing.
  - Aim at a designated target and pull the trigger only when ready.
4. **PostFiring:**
  - After firing, unload your firearm in a safe manner.
  - Store unused bullets in their original packaging and keep them secured.

## Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the HYBRID TACTICAL 338 CALIBER OTM BULLETS, please refer to the packaging for manufacturer contact details or consult your retailer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with our product. Thank you for your attention to safety.
