Safety Instruction Guide for L.E. Wilson Stainless Trimmer Handle

Introduction

Thank you for choosing the L.E. Wilson Stainless Trimmer Handle. This upgraded trimmer handle is designed for durability and performance, constructed from 304 grade High Strength Stainless Steel. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always use the trimmer handle in accordance with the manufacturer's instructions.
- Inspect the trimmer handle before each use for any signs of damage or wear.
- Keep the trimmer handle out of reach of children and vulnerable individuals.
- Ensure that the work area is clean and free of distractions while using the trimmer handle.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the trimmer handle.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the trimmer handle for any purpose other than its intended use.
- Avoid using the trimmer handle if you are under the influence of drugs or alcohol.
- Do not attempt to modify or alter the trimmer handle in any way.
- Ensure that all attachments and accessories are securely fastened before use.
- Use caution when handling sharp tools and ensure they are stored safely when not in use.

Instructions for Installation and Usage

1. Installation:

- Remove the trimmer handle from its packaging and inspect it for any damage.
- Attach the trimmer handle to the compatible cutting tool (e.g., Wilson Standard Cutter, Case Mouth Deburring Tools) as per the manufacturer's instructions.
- Ensure that the connection is secure before proceeding to use the tool.

2. Usage:

- Hold the trimmer handle firmly and maintain a stable grip throughout the operation.
- Position the cutting tool appropriately to avoid accidents.
- Operate the cutting tool with steady and controlled movements.
- After use, clean the trimmer handle and any attached tools to maintain their condition.

Disposal Instructions

- Dispose of the trimmer handle responsibly in accordance with local regulations.
- Do not dispose of the trimmer handle in regular household waste if it contains any hazardous materials.
- Consider recycling the stainless steel components if possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the L.E. Wilson Stainless Trimmer Handle, please contact

the manufacturer directly.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your L.E. Wilson Stainless Trimmer Handle. Thank you for your attention to safety!
