

# F-CLASS REST FEET (3) - SINCLAIR INTERNATIONAL F-CLASS REST FEET 1/2"X20 THREADS 3 PACK

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

F-Class shooting is growing rapidly, providing shooters another avenue to shoot long range. These rest foot pads thread onto your standard Sinclair Rest feet and prevent the rest feet from sinking into loose sand, gravel, or mud. The foot pads are machined from solid stainless steel and have a conical point on the down side to dig in a bit. Great for any kind of shooting where your rest is on a ground. They are 2.5 inches in diameter at the widest point. Sold as a set of three. NOTE: You will also need to purchase 749-013-900 (1/2-20 leg) to replace the speed screw. This is so all 3 F-Class rest feet can be used. The Sinclair Heavy Varmit Rests come with the standard rear leg so the purchase of the 749-013-900 is not required.

# Safety Instruction Guide for FCLASS REST FEET

## Introduction

Thank you for choosing the FCLASS REST FEET by Sinclair International. These rest foot pads are designed to enhance your shooting experience by providing stability on various terrains. This guide is intended to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Always use the FCLASS REST FEET as intended. Ensure that they are securely attached to your Sinclair Rest before use.
- **Enhanced Recalls:** Stay informed about product recalls. Follow any instructions provided in recall notices.
- **Online Shopping Safety:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Consumer Focus:** Use this product responsibly, especially around vulnerable groups such as children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Keep an eye on the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Stability:** Ensure that the rest feet are firmly in place before shooting. Check for any wear or damage before each use.
- **Terrain Awareness:** Use caution when shooting on loose sand, gravel, or mud. The foot pads are designed to prevent sinking but may not be effective in all conditions.
- **Weight Limit:** Do not exceed the recommended weight limit for your shooting rest to avoid accidents.
- **Child Safety:** Keep the product out of reach of children when not in use to prevent accidents.
- **Inspection:** Regularly inspect the foot pads for any signs of wear or damage. Replace if necessary.

## Instructions for Installation and Usage

### 1. Installation:

- Thread the FCLASS REST FEET onto the standard Sinclair Rest feet.
- Ensure that they are securely tightened to prevent loosening during use.
- If required, purchase the 749013900 (1/220 leg) to replace the speed screw for optimal performance.

### 2. Usage:

- Place the rest feet on stable ground before positioning your firearm.
- Adjust the height as necessary to achieve a comfortable shooting position.
- Always shoot from a stable position, ensuring that the rest feet are properly engaged with the ground.

## Disposal Instructions

- Dispose of the FCLASS REST FEET responsibly.
- If the product is damaged beyond repair, recycle the materials if possible.
- Follow local regulations for the disposal of metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the FCLASS REST FEET, please refer to the designated EU contact point for assistance.

Thank you for ensuring your safety and the safety of others while enjoying your shooting experience with the FCLASS REST FEET.
