# Safety Instruction Guide for RCBS Military Crimp Remover

## Introduction

Thank you for choosing the RCBS Military Crimp Remover. This product is designed to enhance your reloading experience by ensuring consistent case preparation. Please read this safety instruction guide carefully to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the product and its intended use before operating.
- Always use the product in a welllit and ventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates for this product through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when using the Military Crimp Remover.
- Avoid wearing loose clothing or jewelry that could get caught in the equipment.
- Do not operate the product if you are tired or under the influence of drugs or alcohol.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Follow all instructions for use and maintenance as provided in this guide.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the Military Crimp Remover and ensure all parts are included.
- Place the device on a stable, flat surface to prevent tipping during use.
- Connect the power supply according to the manufacturer's instructions, ensuring it is secure.

### 2. Usage

- Adjust the speed settings according to your preference and the type of case you are processing.
- Insert the case into the designated area of the crimp remover.
- Activate the device, ensuring your hands and other body parts are clear of moving parts.
- Monitor the process to ensure consistent results and stop the machine if any irregularities occur.
- Once finished, turn off the machine and carefully remove the processed cases.

## Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.
- Ensure that any used components are handled responsibly to prevent environmental harm.

## Contact Information for Further Support

For any safety inquiries or support related to the RCBS Military Crimp Remover, please refer to the

manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with the RCBS Military Crimp Remover. Thank you for your attention to safety.
