

WINDAGE HEAVY VARMINT REST - SINCLAIR INTERNATIONAL

BENCHREST HEAVY VARMINT SHOOTING REST LH WINDAGE

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

Available in the following formats: The Sinclair Heavy Varmint Bench Rest model is designed for shooters who prefer using Protektor or Edgewood front sand bags. The rest top side plates allow the user to “pinch” the sand bag for subtle bag width adjustments. Purchase the front Protektor or Edgewood sand bag which best fits your forend width: sporter, varmint, or flat-bottomed B/R stock (front sand bag is not included with Sinclair Heavy Varmint Bench Rests, please see page xx and order separately). The Sinclair Heavy Varmint All-Purpose rest is designed with our versatile All-Purpose (A/P) Top which quick-adjusts to accommodate nearly any forend. Switch from narrow sporter stocks to 3-1/2” BR stocks with a turn of a lever. The Sinclair Heavy Varmint All-Purpose Rest includes a dual-sided leather/cordura sand bag (not filled). The windage topped version adds the convenience of quick-adjust horizontal movements for competitive shooting by turning the windage knob located on the side of the rest top. Available in both right-hand and left-hand shooter versions. When ordering windage top versions, right-handed shooters will order a RIGHT-HAND rest and left-handed shooters will order a LEFT-HAND rest. The adjustment knob will be on the correct side to be adjusted with the shooter's off hand.

Safety Instruction Guide for WINDAGE HEAVY VARMINT REST

Introduction

Thank you for choosing the Sinclair International Windage Heavy Varmint Rest. This product is designed for precision shooting and offers features that enhance your shooting experience. However, to ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to remain informed about product safety.

Specific Safety Precautions for Use

- Always use the rest on a stable surface to prevent tipping or sliding.
- Ensure that the sand bag used with the rest is properly secured and filled to prevent spillage.
- Do not exceed the weight limit specified by the manufacturer when using the rest.
- When adjusting the windage knob, maintain a firm grip on the rest to avoid sudden movements.
- Use the rest only for its intended purpose, which is to support firearms during shooting activities.
- Always be aware of your surroundings and ensure that the shooting area is clear of unauthorized personnel.

Instructions for Installation and Usage

1. Setup:

- Place the Windage Heavy Varmint Rest on a stable, flat surface.
- Ensure that the rest is level and secure before placing any equipment on it.

2. Attaching the Sand Bag:

- Select a Protektor or Edgewood sand bag that fits your forend width (sporter, varmint, or flatbottomed B/R stock).
- Pinch the sand bag between the top side plates of the rest to secure it in place.

3. Adjusting the Rest:

- For the AllPurpose Rest, use the lever to adjust the width to accommodate different forend sizes.
- To adjust the windage, turn the windage knob located on the side of the rest top. Ensure you are using your off hand to make adjustments for better control.

4. Using the Rest:

- Position your firearm securely on the sand bag.
- Ensure that the firearm is pointed in a safe direction at all times.
- Before shooting, doublecheck that the area is clear of people and obstacles.

5. PostUse:

- After use, carefully remove the firearm from the rest.
- Store the Windage Heavy Varmint Rest in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- When the Windage Heavy Varmint Rest reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Windage Heavy Varmint Rest, please refer to the manufacturer's customer service resources. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. Following these guidelines will help ensure a safe and enjoyable shooting experience with your Sinclair International Windage Heavy Varmint Rest.
