

# SINCLAIR HEAVY VARMINT RESTS - SINCLAIR INTERNATIONAL BASIC TOP HEAVY VARMINT AMBIDEXTROUS SHOOTING REST

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

The Sinclair Heavy Varmint Shooting Rest series is an evolution of our Generation II shooting rest (now discontinued) and our Competition Shooting Rest that's sought after by the best of today's benchrest competitors. The Heavy Varmint Shooting Rests feature fully upgraded hardware such as a heavy-duty stainless steel center column and 1" stainless post, oversized scalloped hand wheel with thrust bearing for ultra-smooth vertical adjustments, large ½"-20 thread rest feet with oversized aluminum anodized knobs (no plastic parts here), and a fully adjustable forend stop for shot-after-shot repeatability. The base itself is of ductile cast iron construction with a durable powder coat finish to last for a lifetime of use – exactly what you've come to expect from all Sinclair manufactured products. These shooting rests weigh up to 17 lbs with filled sand bag – designed to stay in its place on your bench top. The Sinclair Heavy Varmint Shooting Rests are available in 8 different configurations – ask any of our reloading and shooting techs for assistance selecting the model for your needs. Made right here...in the USA. Available in the following formats: The Sinclair Heavy Varmint Bench Rest model is designed for shooters who prefer using Protektor or Edgewood front sand bags. The rest top side plates allow the user to "pinch" the sand bag for subtle bag width adjustments. Purchase the front Protektor or Edgewood sand bag which best fits your forend width: sporter, varmint, or flat-bottomed B/R stock (front sand bag is not included with Sinclair Heavy Varmint Bench Rests, please see page xx and order separately). The Sinclair Heavy Varmint All-Purpose rest is designed with our versatile All-Purpose (A/P) Top which quick-adjusts to accommodate nearly any forend. Switch from narrow sporter stocks to 3-1/2" BR stocks with a turn of a lever. The Sinclair Heavy Varmint All-Purpose Rest includes a dual-sided leather/cordura sand bag (not filled). The Sinclair Heavy Varmint Basic Rest features a flat-top plate that accepts Protektor and Edgewood front sand bags, or perhaps another favorite brand. The flat-top plate allows for bags to be securely strapped. Front sand bag is not included with the Sinclair Heavy Varmint Rests, please see page xx and order separately. Both the Sinclair Heavy Varmint Bench Rest and Heavy Varmint All-Purpose Rest models are available in a windage topped version. This adds the convenience of quick-adjust horizontal movements for competitive shooting by turning the windage knob located on the side of the rest top. Available in both right-hand and left-hand shooter versions.

When ordering windage top versions, right-handed shooters will order a RIGHT-HAND rest and left-handed shooters will order a LEFT-HAND rest. The adjustment knob will be on the correct side to be adjusted with the shooter's off hand.

## Attributes

- Name: [SINCLAIR INTERNATIONAL BASIC TOP HEAVY VARMINT AMBIDEXTROUS SHOOTING REST](#)

# Safety Instruction Guide for Sinclair Heavy Varmint Rests

## Introduction

Thank you for choosing the Sinclair Heavy Varmint Rests from Sinclair International. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the longevity of your product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the rest before use to ensure it is in good working condition.
- Do not exceed the weight limit specified for the rest.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as a shooting rest.
- Report any defects or unsafe conditions to the retailer or manufacturer immediately.

## Specific Safety Precautions for Use

- **Stability:** Ensure the rest is placed on a stable, flat surface to prevent tipping or sliding.
- **Weight Distribution:** When using the rest with a filled sandbag, ensure the weight is evenly distributed to maintain stability.
- **Adjustments:** Make adjustments to the rest slowly and carefully to avoid sudden movements that could lead to accidents.
- **Handling:** Use caution when handling the rest, especially when adjusting the height or windage settings.
- **Shooting Area:** Always ensure that your shooting area is safe and that you have a proper backstop to prevent projectiles from escaping.

## Instructions for Installation and Usage

### 1. Setting Up the Rest:

- Place the rest on a flat, stable surface.
- Ensure that the base is secure and that the rest does not wobble.

### 2. Using Sandbags:

- Select a suitable front sandbag (Protektor or Edgewood, for example) that fits your forend width.
- Place the sandbag securely on the rest's top plate, ensuring it is pinched for stability.

### 3. Adjusting the Rest:

- For vertical adjustments, use the oversized hand wheel with thrust bearing for smooth operation.
- For windage adjustments, turn the windage knob located on the side of the rest top.

### 4. Safety Checks:

- Before each use, doublecheck that all components are secure and functioning properly.
- Ensure that the area around the rest is clear of obstructions and that all safety gear is worn.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal and plastic waste.
- If the product is damaged and no longer usable, consider recycling components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please consult the retailer from whom you purchased the product. They can provide assistance and direct you to the appropriate resources for support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Sinclair Heavy Varmint Rest.
