Safety Instruction Guide for RCBS Military Crimp Remover

Introduction

Thank you for choosing the RCBS Military Crimp Remover. This product is designed to assist you in the safe and effective preparation of your ammunition cases. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulations (GPSR).

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris created during operation.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Report any unsafe product experiences to the relevant authorities and check for recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Trim Mate™ Military Crimp Remover is securely attached to a stable work surface before use.
- Do not exceed the recommended speed settings when operating the product.
- Avoid direct contact with sharp edges and moving parts during operation.
- Always disconnect the product from the power source when not in use or when performing maintenance.
- Do not attempt to modify or repair the product unless you are a qualified technician.

Instructions for Installation and Usage

1. Installation

- Place the Trim Mate™ Military Crimp Remover on a flat, stable surface.
- Secure the product using the provided mounting hardware, ensuring it is firmly attached.
- Connect the power supply as per the manufacturer's instructions.

2. Usage

- Before starting, ensure that all safety precautions are observed.
- Select the desired speed setting based on the material being processed.
- Insert the case into the crimp remover, ensuring it is properly aligned.
- Activate the product and allow it to perform the crimp removal.
- Once the process is complete, turn off the product and disconnect from the power source.
- Check the case for any remaining crimp and repeat the process if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Remove any batteries or power sources before disposal.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the RCBS Military Crimp Remover, please refer to the manufacturer's website or contact their customer support service.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with the RCBS Military Crimp Remover!
