

# SINCLAIR SHOOTING REST LEGS - SINCLAIR INTERNATIONAL SHOOTING REST LEG ASSEMBLY

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

These machined stainless steel legs fit the new model Sinclair Competition Shooting Rest and the Sinclair Heavy Varmint Rest. They quickly thread in to replace damaged or missing legs, or to serve as backup parts in your shooting kit. They feature a deeply scalloped, anodized aluminum cap and a knurled steel adjustment ring to give you precise tactile control over elevation adjustments. ½"x20 tpi threads. Will not fit older generation Sinclair rests, or any other manufacturer's rests.

# Sinclair Shooting Rest Legs Safety Instructions

## Introduction

Thank you for choosing the Sinclair Shooting Rest Legs. These machined stainless steel legs are designed for use with the Sinclair Competition Shooting Rest and the Sinclair Heavy Varmint Rest. This guide provides essential safety information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the product before use. Check for any visible damage or defects.
- Ensure that the shooting rest is used on a stable and level surface to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals to avoid misuse.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the legs are securely threaded into the shooting rest before use.
- Do not use the product if any parts are damaged or missing.
- Avoid overtightening the adjustment ring, as this may cause damage to the threads.
- Do not attempt to modify or repair the product yourself. Seek professional assistance if needed.
- Use the product only for its intended purpose as outlined in this guide.

## Instructions for Installation and Usage

### 1. Installation of Legs:

- Carefully remove any damaged or missing legs from the shooting rest.
- Align the new legs with the threaded sockets on the rest.
- Gently thread the legs into the sockets until they are securely in place.
- Ensure that the legs are evenly tightened to maintain stability.

### 2. Adjusting Elevation:

- Locate the knurled steel adjustment ring on each leg.
- Turn the adjustment ring clockwise to raise the elevation and counterclockwise to lower it.
- Adjust until the desired height is achieved, ensuring that the rest remains stable.

### 3. Usage:

- Position your firearm securely on the shooting rest.
- Always check that the rest is stable before taking your shot.
- After use, remove the firearm and store the shooting rest in a safe location.

## Disposal Instructions

- When the product reaches the end of its life or is no longer usable, dispose of it responsibly.
- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sinclair Shooting Rest Legs, please consult the manufacturer's website or contact their customer support for assistance.

Thank you for following these safety instructions. Enjoy your shooting experience with the Sinclair Shooting Rest Legs!
