

SINCLAIR SHOOTING REST LEGS - SINCLAIR INTERNATIONAL SHOOTING REST LEG ASSEMBLY 3 PACK

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

These machined stainless steel legs fit the new model Sinclair Competition Shooting Rest and the Sinclair Heavy Varmint Rest. They quickly thread in to replace damaged or missing legs, or to serve as backup parts in your shooting kit. They feature a deeply scalloped, anodized aluminum cap and a knurled steel adjustment ring to give you precise tactile control over elevation adjustments. ½"x20 tpi threads. Will not fit older generation Sinclair rests, or any other manufacturer's rests.

Safety Instruction Guide for Sinclair Shooting Rest Legs

Introduction

Thank you for choosing the Sinclair Shooting Rest Legs. This product is designed to enhance your shooting experience by providing reliable and adjustable support. To ensure your safety and the proper use of this product, please read this guide carefully.

General Safety Guidelines

- Always use the product as intended and follow the instructions provided.
- Inspect the product before each use for any signs of damage or wear.
- Ensure that the shooting rest is stable and secure before using it.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the shooting rest.
- Avoid using the product on uneven or unstable surfaces.
- Ensure that all components are properly assembled before use.
- Use caution when adjusting the legs to prevent pinching or injury.
- Do not modify the product in any way, as this may compromise its safety.
- Store the product in a dry place to prevent corrosion or damage.

Instructions for Installation and Usage

1. Installation of Legs:

- Ensure the shooting rest is turned upside down for easy access to the leg attachment points.
- Align the threads of the stainless steel legs with the attachment points on the shooting rest.
- Thread the legs into place by turning them clockwise until they are securely fitted.
- Do not overtighten, as this may damage the threads.

2. Adjusting the Height:

- Locate the knurled steel adjustment ring on each leg.
- Turn the adjustment ring to raise or lower the leg to the desired height.
- Ensure that all legs are adjusted to the same height for stability.

3. Using the Shooting Rest:

- Place the shooting rest on a stable surface.
- Secure your firearm in the rest and ensure it is properly balanced.
- Make any final adjustments to the legs to ensure the shooting rest is level.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure that it is recycled or disposed of safely.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Sinclair Shooting Rest Legs, please refer to the product packaging or your retailer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Sinclair Shooting Rest Legs. Thank you for your attention to safety!
