Safety Instruction Guide for the Trim Mate Carbide Chamfer Tool

Introduction

Thank you for choosing the Trim Mate Carbide Chamfer Tool by RCBS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the tool.

General Safety Guidelines

- Always use the Trim Mate Carbide Chamfer Tool as intended.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the tool if it is damaged or malfunctioning.
- Ensure a safe working environment that is clean and welllit.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool.
- Follow all local regulations regarding the use and disposal of tools and materials.

Specific Safety Precautions for Use

- Use the tool only for chamfering and deburring cases as specified.
- Do not apply excessive force while using the tool; let the carbide cutter do the work.
- Avoid contact with the cutting edge to prevent cuts or injuries.
- Keep hands and fingers clear of the cutting area during operation.
- Store the tool in a safe place when not in use to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the Trim Mate is turned off and unplugged before installation.
- Carefully remove the old cutter if applicable, following the manufacturer's instructions.
- Insert the Trim Mate Carbide Chamfer Tool securely into the designated holder.
- Ensure the cutter is properly seated and locked in place.

2. Usage:

- Turn on the Trim Mate and allow it to reach the desired speed.
- Insert the case into the chamfer tool, ensuring it is properly aligned.
- Gently press the case against the cutter to chamfer the edges.
- Monitor the process to avoid overchamfering or damaging the case.
- Once finished, turn off the Trim Mate and remove the case.

Disposal Instructions

- Dispose of the Trim Mate Carbide Chamfer Tool and any damaged parts in accordance with local regulations.
- Do not throw the tool in regular household waste; check for recycling programs in your area.
- Ensure that any sharp edges are safely covered or disposed of to prevent injury.

Contact Information for Further Support

For questions or concerns regarding the Trim Mate Carbide Chamfer Tool, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Following these guidelines will help ensure a safe and effective experience with your Trim Mate Carbide Chamfer Tool.
