

# AR HYBRID TACTICAL 6.5MM (0.264") OTM BULLETS - BERGER BULLETS 6.5MM (0.264") 130GR HYBRID OTM BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger 130 Grain AR Hybrid OTM (Open Tip Match) Tactical Bullets utilize their industry-leading hybrid ogive, which blends tangent and secant designs to optimize efficiency, reduce wind-drift, and minimize sensitivity to seating depth. The Hybrid OTM Tacticals are competition proven and a favorite amongst today's top long range competition shooters. Designed for both bolt action use in cartridges such as the 6.5 Creedmoor, 6.5mm Grendel and 260 Remington. Excellent in a gas gun for reliable feeding in magazine applications. Made with J4 Precision Jackets, the AR Hybrid OTM Tactical like all other Berger Bullets, have exacting tolerance and near perfect construction.

# Safety Instruction Guide for AR Hybrid Tactical 6.5mm OTM Bullets

## Introduction

Thank you for choosing the AR Hybrid Tactical 6.5mm (0.264") OTM Bullets by Berger Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Ensure that the product is kept out of reach of children and unauthorized users.
- Regularly check for any signs of damage or wear on packaging.
- Be aware of local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Always wear appropriate eye and ear protection when handling or firing ammunition.
  - Use gloves if necessary to avoid skin contact with any residues.
- **Handling:**
  - Do not handle bullets with wet or oily hands.
  - Avoid dropping or mishandling the bullets to prevent damage.
- **Loading and Firing:**
  - Follow the manufacturer's instructions for loading and firing.
  - Ensure that the firearm is in good working condition and suitable for the specific bullet type.
- **Emergency Procedures:**
  - In case of a misfire, follow standard safety procedures and wait at least 30 seconds before attempting to unload the firearm.
  - Report any accidents or unsafe conditions to local authorities immediately.

## Instructions for Installation and Usage

- **Loading Bullets:**
  - Open the box carefully to avoid damaging the bullets.
  - Use appropriate tools for loading bullets into the magazine or chamber.
  - Ensure that the bullets are seated correctly and securely.
- **Shooting:**
  - Ensure that you are in a safe environment for shooting, away from people and structures.
  - Always point the firearm in a safe direction when loading and firing.
  - Follow all local laws and regulations related to shooting activities.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR Hybrid Tactical 6.5mm OTM Bullets, please refer to the contact information provided on the product packaging or the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with the AR Hybrid Tactical 6.5mm OTM Bullets. Always prioritize safety and adhere to best practices for handling ammunition. Thank you for your attention to these important guidelines.
