

# **EOL ELITE HUNTER 7MM (0.284") BOAT TAIL BULLETS - BERGER BULLETS 7MM (0.284") 195GR HYBRID BOAT TAIL 100/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This bullet was inspired by Bob Beck, host of EOL, and designed by Bryan Litz. Bob and EOL are building rifles that are capable of shooting extremely aggressive bullets, so Bryan and Berger Bullets have risen to the challenge of producing such a bullet. The 195gr EOL bullet has the highest ballistic performance of any 7mm bullet currently in existence, and is truly the first of its kind for a number of reasons. The first thing to note about this bullet is that it breaks with the common trend-line for heavy bullets in a given caliber. Typically, 180 grains is the heaviest weight available in 7mm. This bullet adds 15 grains to that. The additional weight is split between the bearing surface and longer nose. Compared to the 7mm 180 grain Target Hybrid, the bearing surface is 0.096" longer, and the nose is 0.022" longer. The 7 degree BT's are about the same. With a sectional density of 0.345 lb/in<sup>2</sup>, the ability of this bullet to slip through the air and impact game animals with more energy is off the charts. By comparison, the Berger .30 caliber 210 grain Hunting VLD has a sectional density of 0.316 lb/in<sup>2</sup>. The hybrid ogive ensures length tolerance and minimal drag by design, while the 7 degree boat tail minimizes base drag and provides favorable stability characteristics at transonic speed.

## **Attributes**

- Name: [BERGER BULLETS 7MM \(0.284"\) 195GR HYBRID BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749013940
- Mfr. No.: 28550
- Ballistic Coefficient (G1): 0.755
- Ballistic Coefficient (G7): 0.387
- Brand Style: Elite Hunter
- Bullet Style: Hybrid Boat Tail
- Bullet Weight (Grains): -
- Caliber: 7mm,284 Caliber
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 195
- Quantity: 100
- Delivery weight: 1.315kg
- Shipping height: 41mm
- Shipping width: 83mm
- Shipping length: 84mm
- UPC: 679459285506

# Safety Instruction Guide for EOL ELITE HUNTER 7MM Boat Tail Bullets

## Introduction

Thank you for choosing the EOL ELITE HUNTER 7MM Boat Tail Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. Your safety is our priority, and we urge you to follow these guidelines carefully.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding ammunition and firearms.
- Always store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Handle bullets with care to avoid accidental discharge or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and hearing protection, when handling or firing firearms.
- Confirm that your firearm is compatible with the EOL ELITE HUNTER 7MM bullets before use.
- Avoid using damaged or deformed bullets, as they may pose a risk of malfunction.
- Do not exceed the recommended load specifications provided by your firearm's manufacturer.
- Ensure that the bullet is properly seated in the cartridge before use.
- Be aware of your surroundings and ensure a safe backdrop before firing.
- Never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including your firearm, bullets, and safety gear.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Loading the Bullets:

- Open the packaging and inspect the bullets for any visible defects.
- Follow the manufacturer's guidelines for loading the bullets into your cartridges.
- Ensure that the bullet is seated correctly and securely in the cartridge.

### 3. Firing:

- Move to a designated shooting range or a safe shooting area.
- Load the cartridge into your firearm.
- Check your surroundings for safety before firing.
- Fire the bullet in accordance with proper shooting techniques.

### 4. PostFiring:

- Always treat your firearm as if it is loaded.
- After firing, unload your firearm in a safe area.

- Inspect the firearm and bullets for any signs of damage or malfunction.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact your local waste management facility for proper disposal methods.
- Ensure that all spent cartridges are collected and disposed of safely.

## **Contact Information for Further Support**

For any inquiries or further support regarding the EOL ELITE HUNTER 7MM Boat Tail Bullets, please refer to the manufacturer's contact details provided on the packaging or product insert.

By following these safety instructions, you can ensure a safe and enjoyable experience with your EOL ELITE HUNTER 7MM Boat Tail Bullets. Thank you for your attention to safety.
