

HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS - BERGER BULLETS HYBRID TARGET 30 CALIBER (0.308") 200.20X HYBRID BT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballisticians and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

Attributes

- Name: [BERGER BULLETS HYBRID TARGET 30 CALIBER \(0.308"\) 200.20X HYBRID BT 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749013955
- Mfr. No.: 30417
- Ballistic Coefficient (G1): 0.640
- Ballistic Coefficient (G7): 0.328
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 200
- Quantity: 100
- Delivery weight: 1.361kg
- Shipping height: 44mm
- Shipping width: 57mm
- Shipping length: 64mm
- UPC: 679459304177

Safety Instruction Guide for HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS

Introduction

Thank you for choosing the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand all sections carefully before handling or using the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition and firearms.
- Always treat all firearms and ammunition as if they are loaded and capable of causing injury.
- Store bullets in a cool, dry place and out of reach of children and unauthorized individuals.
- Inspect bullets for any signs of damage before use. Do not use damaged bullets.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Use only in firearms that are specifically chambered for the .308 caliber.
- Avoid using bullets that have been exposed to moisture or extreme temperatures.
- Do not attempt to modify or disassemble the bullets.
- Follow the manufacturer's guidelines for loading and firing to minimize risks.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action and verify that the chamber is empty.
- Load the bullets according to the firearm's instructions and ensure they are seated properly.

2. Firing the Bullets:

- Always verify that the firing range is safe and clear of unauthorized individuals.
- Aim only at intended targets and ensure a safe backstop is in place.
- Fire the bullets according to your firearm's operational guidelines.

3. PostFiring:

- After firing, ensure that the firearm is unloaded and cleaned according to the manufacturer's instructions.
- Dispose of any spent casings and bullets in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste disposal regulations.
- Do not throw bullets in regular trash.
- Contact local authorities for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS, please refer to the manufacturer's contact details provided on the product packaging or their official website.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS. Always prioritize safety and be aware of your surroundings when handling firearms and ammunition. Thank you for your attention to these important safety measures.
