

# AR HYBRID TACTICAL 6.5MM (0.264") OTM BULLETS - BERGER BULLETS 6.5MM (0.264") 130GR HYBRID OTM BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger 130 Grain AR Hybrid OTM (Open Tip Match) Tactical Bullets utilize their industry-leading hybrid ogive, which blends tangent and secant designs to optimize efficiency, reduce wind-drift, and minimize sensitivity to seating depth. The Hybrid OTM Tactics are competition proven and a favorite amongst today's top long range competition shooters. Designed for both bolt action use in cartridges such as the 6.5 Creemoor, 6.5mm Grendel and 260 Remington. Excellent in a gas gun for reliable feeding in magazine applications. Made with J4 Precision Jackets, the AR Hybrid OTM Tactical like all other Berger Bullets, have exacting tolerance and near perfect construction.

# Safety Instruction Guide for AR HYBRID TACTICAL 6.5MM OTM BULLETS

## Introduction

Thank you for choosing Berger 130 Grain AR Hybrid OTM Tactical Bullets. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

## General Safety Guidelines

- Product Safety: Ensure safe handling and use of these bullets. This product is designed for use in firearms and should only be used by qualified individuals.
- Enhanced Recalls: Stay informed about any product recalls. Check the EU Safety Gate platform for updates.
- Online Shopping: If purchased online, ensure that the retailer complies with safety requirements.
- Special Consumer Focus: Extra care should be taken when handling this product, especially around vulnerable groups, including children.
- EU Contact Point: For any safety inquiries, please refer to the designated EU contact.
- Rapid Alerts: Be aware of the Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- Always treat all ammunition as if it is live and capable of firing.
- Store bullets in a cool, dry place away from direct sunlight and heat sources.
- Keep bullets out of reach of children and unauthorized personnel.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when loading and firing.
- Do not exceed the recommended load specifications for your specific firearm.
- Ensure that your firearm is clean and in good working order before use.
- Inspect bullets for any signs of damage before use. Do not use damaged bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

### • Installation:

1. Ensure your firearm is unloaded before handling bullets.
2. Open the bullet box carefully to avoid spills.
3. Use a clean workspace to prevent contamination.

### • Usage:

1. Load bullets into your firearm following the manufacturer's instructions.
2. Always ensure the firearm is pointed in a safe direction when loading.
3. When ready to fire, ensure that the area is clear of people and obstacles.
4. Fire only in designated shooting areas that comply with local regulations.
5. After firing, safely unload your firearm and store it according to local laws.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact your local waste disposal authority for guidance on hazardous waste disposal.

- Ensure that all packaging materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of Berger 130 Grain AR Hybrid OTM Tactical Bullets, please refer to the designated EU contact for assistance.

Thank you for prioritizing safety while using our products. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
