

# MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS

## MATCHKING 6.5MM (.264") 150GR HOLLOW POINT BOAT TAIL

### 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

# Safety Instruction Guide for MATCHKING 6.5MM (0.264") BULLETS

## Introduction

Thank you for choosing MATCHKING 6.5MM (0.264") Bullets from Sierra Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read the entire guide carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat every bullet as if it is loaded.
- Keep bullets out of reach of children and unauthorized users.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling bullets.
- Do not use expired or damaged bullets.
- Always check local regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

When using MATCHKING 6.5MM (0.264") Bullets, please observe the following specific safety precautions:

- Ensure that your firearm is compatible with 6.5MM ammunition before use.
- Follow all manufacturer instructions for your firearm.
- Do not exceed the recommended load specifications.
- Avoid using bullets in firearms that are not designed for their specific caliber.
- Use only in wellventilated areas to minimize exposure to lead and other harmful substances.
- Never point a firearm at anything you do not intend to shoot.
- Always keep your finger off the trigger until you are ready to fire.
- Be aware of your surroundings and ensure a safe backstop when shooting.

## Instructions for Installation and Usage

To ensure proper usage of MATCHKING 6.5MM (0.264") Bullets, follow these instructions:

### 1. Preparation:

- Gather all necessary equipment including a compatible firearm, reloading tools, and safety equipment.
- Inspect the bullets for any visible damage before use.

### 2. Loading the Bullets:

- Follow the specific reloading instructions provided by the bullet manufacturer.
- Ensure that the bullet is seated correctly in the cartridge case.
- Check that the overall cartridge length is within the recommended specifications.

### 3. Firing the Bullets:

- Load the cartridges into the firearm magazine or chamber as per the firearm's instructions.
- Ensure the firearm is pointed in a safe direction.

- Engage the safety mechanism until ready to fire.
- Fire the bullet according to the firearm's operation instructions.

#### **4. PostUsage:**

- After firing, allow the firearm to cool down before handling.
- Clean the firearm as per the manufacturer's instructions to remove any residue.

## **Disposal Instructions**

Proper disposal of MATCHKING 6.5MM (0.264") Bullets is crucial for safety and environmental protection. Follow these disposal instructions:

- Do not dispose of bullets in regular household waste.
- Check with local authorities for guidelines on hazardous waste disposal.
- Consider using a licensed ammunition recycling service if available.
- Store any unused or damaged bullets in a secure location until proper disposal can be arranged.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of MATCHKING 6.5MM (0.264") Bullets, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

## **Conclusion**

Your safety is paramount when using MATCHKING 6.5MM (0.264") Bullets. By following the guidelines and precautions outlined in this safety instruction guide, you can ensure a safe and enjoyable experience. Always remain informed about the latest safety practices and updates related to your ammunition. Thank you for choosing Sierra Bullets.
