Safety Instruction Guide for L.E. Wilson Micrometer Top Bullet Seater Die

Introduction

Thank you for choosing the L.E. Wilson Micrometer Top Bullet Seater Die. This guide provides essential safety information and instructions for the proper use and maintenance of this product. It is important to follow these guidelines to ensure safe and effective operation.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when using this product.
- Keep the work area clean and welllit to avoid accidents.
- Store the die in a dry place and away from children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not modify the die or use it in a manner not specified by the manufacturer.

Specific Safety Precautions for Use

- Use the die only with an Arbor Press as intended.
- Do not exceed the recommended bulletseating depths as indicated in the product specifications.
- Handle all reloading components with care to avoid accidents.
- Ensure that the die is securely attached to the Arbor Press before use.
- Keep hands and clothing clear of the die during operation to prevent injury.
- If you experience any issues during use, stop immediately and consult the troubleshooting section of the manual.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Arbor Press is placed on a stable and level surface.
- Attach the L.E. Wilson Micrometer Top Bullet Seater Die to the Arbor Press according to the manufacturer's instructions.
- Make sure the die is tightened securely to prevent movement during use.

2. Usage:

- Set the micrometer top to the desired bulletseating depth using the scale in 0.001" increments.
- Place the cartridge case into the die.
- Insert the bullet into the case mouth.
- Operate the Arbor Press to seat the bullet to the desired depth.
- After use, clean the die to remove any residue and store it properly.

Disposal Instructions

- Dispose of all reloading components, including spent primers and cases, in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check for local recycling or disposal programs for such materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the L.E. Wilson Micrometer Top Bullet Seater Die, please reach out to your local distributor or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective experience with the L.E. Wilson Micrometer Top Bullet Seater Die. Always prioritize safety and consult this guide whenever necessary.
