

# 22 CALIBER (0.224") 95GR MATCHKING HPBT BULLETS - SIERRA BULLETS 22 CALIBER (0.224") 95GR HOLLOW POINT BT 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra's MatchKing 22 caliber 95 grain hollow point boat tail bullets provide the accuracy and extreme long range performance shooters around the world have come to expect. A sleek 27 caliber elongated ogive and a final meplat reducing operation (pointing) provide an increased ballistic coefficient for optimal wind resistance and velocity retention. To ensure precise bullet to bore alignment, a unique bearing surface to ogive junction uses the same 1.5 degree angle commonly found in many match rifle chamber throats. Available in 100 and 500 quantities.

# Safety Instruction Guide for 22 CALIBER (0.224") 95GR MATCHKING HPBT BULLETS

## Introduction

Thank you for choosing Sierra's MatchKing 22 caliber 95 grain hollow point boat tail bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before use.

## General Safety Guidelines

- Always handle ammunition with care. Treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling or firing ammunition.
- Be aware of your surroundings and ensure you are in a safe location before using the bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 22 caliber ammunition before use.
- Inspect bullets for any signs of damage or defects before loading them into your firearm.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using damaged firearms or those that have not been properly maintained.
- Always follow the manufacturer's instructions for your firearm when loading and firing ammunition.
- Be cautious of the potential for ricochet and always aim in a safe direction.
- Never attempt to modify or disassemble bullets.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you are in a safe and designated shooting area.
- Wear appropriate safety gear, including eye and ear protection.

### 2. Loading:

- Open the box of bullets and inspect each bullet for defects.
- Load bullets into the magazine or chamber according to your firearm's instructions.
- Ensure that the bullets are seated properly and securely.

### 3. Firing:

- Aim your firearm in a safe direction.
- Ensure that the area is clear of people and animals.
- Follow the firing instructions specific to your firearm model.
- Fire only when you are ready and certain of your target.

### 4. PostUse:

- After firing, ensure the firearm is unloaded and stored safely.
- Clean your firearm according to the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact your local waste management facility for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of Sierra's MatchKing 22 caliber bullets, please consult the manufacturer's website or contact their customer support.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your Sierra MatchKing 22 caliber bullets. Always prioritize safety and compliance with applicable laws. Thank you for your attention to these important safety measures.
