

30 CALIBER (0.308") 200GR MATCHKING HPBT BULLETS - SIERRA BULLETS 30 CALIBER (0.308") 200GR HOLLOW POINT BT 100BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Optimized to Get the Full Benefit of Your Target Rifle s Accuracy Potential

MatchKing .308 200 grain hollow point boattail bullets (HPBT) from Sierra deliver the kind of accuracy and extreme long-range performance serious rifle shooters demand from precision ammo. Each MatchKing .308 has a sleek, elongated ogive and a precision-formed meplat that produce a high ballistic coefficient, optimal wind resistance, and superb velocity retention. To ensure precise bullet-to-bore alignment, the bearing surface/ogive junction is the 1.5 degree angle used on match rifle chamber throats. Optimized for long-range accuracy Weight retention to within +/- 0.3 grain Requires 1-9" or faster rifling twist Available in 100 and 500 count boxes Sierra MatchKing .308 200 grain HPBT bullets are the Gold Standard for competition projectiles. These are bullets that'll bring a smile of satisfaction to the face of any precision rifle shooters!

Safety Instruction Guide for Sierra 30 Caliber (0.308") 200GR MatchKing HPBT Bullets

Introduction

Welcome to the safety instruction guide for the Sierra 30 Caliber (0.308") 200GR MatchKing HPBT Bullets. These bullets are designed for precision shooting and competition. It is essential to follow safety guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of all nonfood products, including ammunition. Familiarize yourself with the product before use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Follow instructions provided in the event of a recall.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when handling ammunition, especially around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EU-based contact.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always treat all ammunition as if it is loaded.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically chambered for .308 caliber ammunition.
- Ensure that your firearm is in good working condition and properly maintained.
- Follow all local laws and regulations regarding ammunition use and storage.
- Do not modify or alter the ammunition in any way.
- Always wear appropriate eye and hearing protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

- **Installation:**
 - Store bullets in a cool, dry place away from direct sunlight and moisture.
 - Keep the original packaging intact until ready for use to maintain bullet integrity.
- **Usage:**
 - Ensure the firearm is pointed in a safe direction when loading.
 - Load bullets according to the firearm manufacturer's instructions.
 - Check the chamber and magazine to confirm they are clear before loading.
 - After shooting, properly clean and maintain your firearm to ensure optimal performance.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact local authorities or a licensed disposal service for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Sierra 30 Caliber (0.308") 200GR MatchKing HPBT Bullets, please refer to the appropriate contact sources available in your region.

By following these guidelines, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility while handling ammunition. Thank you for choosing Sierra Bullets.
