

6.5MM CALIBER TIPPED MATCHKING BULLETS - TIPPED MATCHKING 6.5MM (0.264") 107GR POLYMER TIP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints

Attributes

- Name: [TIPPED MATCHKING 6.5MM \(0.264"\) 107GR POLYMER TIP 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749013989
- Mfr. No.: 7407
- Ballistic Coefficient (G1): 0.445
- Brand Style: Tipped MatchKing
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm, 264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 107
- Sectional Density: 0.219
- Quantity: 100
- Delivery weight: 0.907kg
- Shipping height: 25mm
- Shipping width: 76mm
- Shipping length: 102mm
- UPC: 092763074077

Safety Instruction Guide for 6.5MM Caliber Tipped MatchKing Bullets

Introduction

Thank you for choosing the 6.5MM Caliber Tipped MatchKing Bullets. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your area.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use appropriate safety gear, such as eye and ear protection, when handling and firing ammunition.
- Follow the manufacturer's recommendations for the safe handling and use of this product.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for 6.5MM caliber ammunition.
- Inspect your firearm for proper functioning before use. Ensure that it is clean and free of obstructions.
- Do not attempt to modify or alter the bullets in any way.
- Be aware of your surroundings and ensure that you are in a safe location when firing.
- Never point a firearm at anything you do not intend to shoot.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

Instructions for Installation and Usage

- Ensure that you have the correct firearm and that it is in good working condition.
- Load the bullets into the magazine according to the manufacturer's instructions.
- Always check that the firearm is unloaded before inserting or removing ammunition.
- When ready to fire, assume a stable shooting position and aim at the target.
- After firing, ensure that the firearm is pointed in a safe direction before unloading.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Contact local authorities or waste management services for guidance on safe disposal methods.
- Never throw ammunition in the regular trash or attempt to burn it.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 6.5MM Caliber Tipped MatchKing Bullets, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety is our priority.
