

# X-DIE SMALL BASE SIZER DIE - RCBS 223 REMINGTON SMALL BASE SIZER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Small Base Sizer Dies are usually required for reloading ammunition to be used in automatic, semi-automatic, pump, slide and some lever-action rifles. These dies size the body of cases somewhat smaller in diameter and also set the shoulder back slightly more than a Full-Length Sizer Die to ensure proper functioning in the actions of these rifles. Small Base Die Sets not recommended for ammunition used in bolt-action rifles.

## Attributes

- Name: [RCBS 223 REMINGTON SMALL BASE SIZER DIE](#)
- Manufacturer: [RCBS](#)
- Product no.: 749014001
- Mfr. No.: 38859
- Cartridge: 223 Remington

# **XDIE SMALL BASE SIZER DIE RCBS 223 REMINGTON Safety Instruction Guide**

## **Introduction**

Thank you for choosing the XDIE Small Base Sizer Die RCBS 223 Remington. This guide provides important safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the die.

## **General Safety Guidelines**

- Ensure all safety equipment is used when reloading ammunition.
- Always wear safety glasses to protect your eyes from debris.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and pets.
- Follow all local laws and regulations regarding ammunition reloading.
- Be aware of potential hazards associated with reloading, including but not limited to:
  - Fire hazards from gunpowder and primers.
  - Injury from improper handling of reloading equipment.
  - Risks associated with using reloaded ammunition in firearms.

## **Specific Safety Precautions for Use**

- Only use the XDIE Small Base Sizer Die with 223 Remington cartridges.
- Inspect the die for any damage before use. Do not use if damaged.
- Ensure that the die is securely mounted in the reloading press before use.
- Follow the manufacturer's instructions for resizing cases to avoid oversizing.
- Use appropriate lubrication on cases to prevent sticking in the die.
- Always keep fingers and hands clear of the die during operation.
- Do not attempt to modify or alter the die in any way.
- Be cautious of hot surfaces after use, as the die may become hot during operation.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Remove the XDIE Small Base Sizer Die from its packaging.
- Inspect the die for any visible damage.
- Securely mount the die into the reloading press according to the press manufacturer's instructions.
- Adjust the die to the proper height as specified in the user manual of your reloading press.

### **2. Usage:**

- Prepare the cases by cleaning and inspecting them for defects.
- Apply a suitable case lubricant to the body of the case to prevent sticking.
- Insert the lubricated case into the die and operate the reloading press handle smoothly.
- After resizing, remove the case and inspect it for proper sizing.
- Repeat the process for each case as needed.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of gunpowder or primers in regular household waste.

- Contact local waste management authorities for guidance on hazardous waste disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the XDIE Small Base Sizer Die, please refer to the manufacturer's contact information included in the product packaging. It is important to reach out for assistance if you encounter any issues or have questions about the safe use of this product.

By following these safety instructions, you can ensure a safer reloading experience. Always prioritize safety and be mindful of the guidelines provided. Thank you for your attention to these important safety measures.
