

X-FULL LENGTH DIE SET - RCBS X-DIE 2-DIE SET .30-06 SPRINGFIELD

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Trim the case once—never trim again! The X-Sizer Die looks like a regular Full Length Sizer Die. Inside, the die features a specially designed mandrel with an expander ball and decapping pin attached. The mandrel is what the X-Die® is all about. The patented X-Sizer Die eliminates the need for repeated trimming after an initial trim of .020" off the maximum case length to standardize the case. The X-Die doesn't shorten the length of the case: the mandrel reduces the growth rate as the case grows as a result of the case mouth-contacting the mandrel during sizing. Because of an extremely close tolerance between the mandrel and die neck wall, the neck wall of the case does not thicken as the case length is pushed back. Cases repeatedly sized in the X-Die will initially grow a few thousandths of an inch, then stabilize below the maximum case length with no discernable loss of accuracy or case life.

Attributes

- Name: [RCBS X-DIE 2-DIE SET .30-06 SPRINGFIELD](#)
- Manufacturer: [RCBS](#)
- Product no.: 749014015
- Mfr. No.: 37712
- Cartridge: 30-06 Springfield
- Die Style: Full Length Sizing Dies
- Delivery weight: 0.615kg
- Shipping height: 44mm
- Shipping width: 114mm
- Shipping length: 152mm
- UPC: 076683377128

XFULL LENGTH DIE SET RCBS XDIE 2DIE SET .3006 SPRINGFIELD Safety Instruction Guide

Introduction

Thank you for choosing the XFULL LENGTH DIE SET RCBS XDIE 2DIE SET for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. It is crucial to follow these guidelines to prevent accidents and ensure the longevity of your equipment.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the equipment for damage before use. Do not use if damaged.
- Keep the reloading area clean and organized to prevent accidents.
- Store the die set in a dry and secure location, out of reach of children.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Be aware of your surroundings and ensure that no unauthorized persons are present while using the equipment.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the die is properly installed in the reloading press before use.
- Do not exceed the recommended load specifications for the .3006 Springfield cartridge.
- Use only the correct caliber and type of cases with the XDIE to avoid malfunctions.
- Handle all reloading components with care to avoid accidental ignition or discharge.
- Follow the manufacturer's guidelines for trimming cases to maintain safety and performance.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Do not attempt to modify the die or any of its components for any reason.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Remove the die from its packaging and inspect for any visible damage.
- Screw the XSizer Die into the press until it is firmly in place.
- Attach the expander ball and decapping pin if not preinstalled.
- Adjust the die according to the manufacturer's specifications for optimal performance.

2. Usage:

- Trim the cases to .020" off the maximum case length before first use.
- Insert the case into the shell holder of the reloading press.
- Raise the ram to engage the case with the XSizer Die.
- Ensure that the mandrel is properly aligned with the case mouth during sizing.
- After sizing, remove the case and inspect for any defects or irregularities.
- Repeat the sizing process as necessary, monitoring case growth and stability.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Recycle packaging materials where possible.
- Do not dispose of any hazardous materials in regular waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For safety inquiries or more information about the XFULL LENGTH DIE SET RCBS XDIE 2DIE SET, please refer to the manufacturer's contact details provided in the product packaging or visit their official website.

Thank you for your attention to these safety instructions. Safe reloading practices ensure not only your safety but also the quality of your ammunition. Enjoy your reloading experience!
