# LEAD DIPPER RCBS Safety Instructions

## Introduction

Thank you for choosing the LEAD DIPPER RCBS. This product is designed to provide a safe and efficient way to scoop and stir molten lead during casting. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the LEAD DIPPER in a wellventilated area to avoid inhaling fumes.
- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles, to protect against burns and splashes.
- Keep the work area clean and free from flammable materials.
- Ensure that the LEAD DIPPER is used only for its intended purpose—scooping and stirring molten lead.
- Do not leave the LEAD DIPPER unattended while in use.
- Be aware of your surroundings and ensure that children and pets are kept at a safe distance during operation.

## Specific Safety Precautions for Use

- Before use, inspect the LEAD DIPPER for any damage or wear. Do not use if damaged.
- Always allow the LEAD DIPPER to cool down completely before handling or cleaning.
- Use the tapered pouring spout carefully to avoid spillage. Direct the spout away from yourself and others.
- Avoid overfilling the bowl to prevent spills and splashes when stirring.
- Do not attempt to modify or repair the LEAD DIPPER. Contact the manufacturer for any repair needs.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your work area is clean and organized.
- Gather all necessary materials, including the LEAD DIPPER, lead, and any additional tools you may need.

### 2. Using the LEAD DIPPER:

- Fill the bowl with the appropriate amount of molten lead.
- Use the hardwood grip to hold the LEAD DIPPER securely.
- Stir the lead gently to ensure even heating and to prevent splashing.
- When ready to pour, position the LEAD DIPPER over the desired mold or container and carefully tilt the bowl to pour using the tapered spout.

### 3. PostUse:

- Allow the LEAD DIPPER to cool completely after use.
- Clean the LEAD DIPPER with appropriate tools and methods to remove any lead residue.
- Store in a safe, dry location away from children and pets.

## Disposal Instructions

- Dispose of any lead waste according to local regulations regarding hazardous materials.
- Do not dispose of lead in regular household waste. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the LEAD DIPPER RCBS, please reach out to your local distributor or refer to the manufacturer's website for additional support and resources.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with the LEAD DIPPER RCBS. Always prioritize safety and adhere to the guidelines provided for your protection and the protection of others. Thank you for your attention to these important safety measures.
