# Safety Instruction Guide for BULLET MOULD HANDLES RCBS BULLET CASTING MOULD HANDLES

## Introduction

Thank you for choosing the BULLET MOULD HANDLES RCBS BULLET CASTING MOULD HANDLES. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the handles to understand the potential hazards and necessary precautions.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the handles out of reach of children and vulnerable individuals.
- Regularly inspect the handles for any signs of damage or wear before each use.
- Do not use the handles for any purpose other than intended.
- If you notice any defects or issues, discontinue use immediately and report the problem.

## Specific Safety Precautions for Use

- Use protective gloves and eyewear when handling hot moulds or molten materials.
- Ensure that the work area is wellventilated to avoid inhalation of fumes.
- Avoid contact with hot surfaces to prevent burns.
- Do not exceed the recommended temperature limits for the moulds.
- Always allow the handles to cool down before storing them.
- Be cautious of sharp edges on the moulds and other equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the mould handles are compatible with your RCBS bullet moulds.
- Align the handles with the mould and securely attach them according to the manufacturer's instructions.
- Doublecheck that the handles are firmly in place before use.

### 2. Usage:

- Preheat the moulds as per the recommended guidelines.
- Insert the bullet mould into the handles securely.
- Pour the molten material into the mould carefully to avoid spills.
- Allow the mould to cool adequately before removing the bullet.
- Always handle the moulds with care, using appropriate safety gear.

## Disposal Instructions

- Dispose of any damaged or unusable handles according to local waste disposal regulations.
- Ensure that any nonrecyclable materials are disposed of in a safe and environmentally friendly manner.
- Do not incinerate the handles as they may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BULLET MOULD HANDLES RCBS BULLET CASTING MOULD HANDLES, please refer to the manufacturer's contact information provided with the product packaging.

This guide is designed to help you use your product safely and effectively while complying with the EU General Product Safety Regulation (GPSR). Always prioritize safety and be aware of your surroundings when using the BULLET MOULD HANDLES. Thank you for your attention to these important safety guidelines.
