

BULLET LUBRICANT - RCBS BULLET LUBRICANT

[Reloading](#) > [Bullet Casting](#) > [Bullet Lubricant](#)

RCBS Bullet Lubricant fits the Lube-A-Matic Sizer/Lubricator and most others that use a hollow stick lubricant. It's a non-toxic, temperature resistant blend, developed in cooperation with top-rated competition cast-bullet shooters. RCBS' rifle bullet lubricant is a blend of Alox and beeswax, formulated to NRA specifications. Works fine for pistol bullets. Rifle Lube for outdoor use only.

Attributes

- Name: [RCBS BULLET LUBRICANT](#)

RCBS Bullet Lubricant Safety Instruction Guide

Introduction

Thank you for choosing RCBS Bullet Lubricant. This guide provides essential safety information to ensure the safe use of this product. Please read and follow all instructions carefully to maximize safety and performance.

General Safety Guidelines

- Ensure safe use of this product by following all instructions.
- Keep the product out of reach of children and vulnerable groups.
- Be aware of potential hazards associated with the use of lubricants.
- Use the product only for its intended purpose.
- Regularly check for updates on product safety and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Avoid contact with skin. If skin contact occurs, wash with soap and water.
- Use in a wellventilated area to minimize inhalation of fumes.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Keep the container tightly closed when not in use.
- Dispose of any unused lubricant according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the LubeAMatic Sizer/Lubricator is clean and free from old lubricant residues.
- Gather all necessary tools and materials.

2. Loading the Lubricant:

- Remove the cap from the RCBS Bullet Lubricant stick.
- Insert the stick into the lubricant chamber of the sizer/lubricator.
- Ensure it is seated properly to avoid leaks.

3. Sizing and Lubricating Bullets:

- Set the sizer/lubricator according to the manufacturer's instructions.
- Place bullets into the sizer/lubricator as directed.
- Operate the machine to size and lubricate the bullets.

4. PostUsage Care:

- Clean the sizer/lubricator after use to prevent buildup of lubricant.
- Store the lubricant stick in a safe location for future use.

Disposal Instructions

- Dispose of any unused or expired lubricant in accordance with local waste disposal regulations.
- Do not pour lubricant down drains or into water sources.
- Check with local authorities for specific disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of RCBS Bullet Lubricant, please contact the manufacturer directly. Ensure you have the product information ready when seeking assistance.

By following these guidelines, you can ensure a safe and effective experience with RCBS Bullet Lubricant. Thank you for your attention to safety.
