

# LUBE-A-MATIC-2 LUBE AND SIZER DIES - RCBS 0.356" BULLET SIZING DIE

[Reloading](#) > [Bullet Casting](#) > [Lube & Sizer Dies](#)

RCBS Lube-A-Matic Lube and Sizer Dies make the process of lubricating and sizing cast bullets a breeze. Featuring hardened interiors, these dies insure proper alignment for perfectly cylindrical bullets. These sizer dies also help set and crimp gas checks. Fits RCBS Lube-A-Matic-2 Bullet Sizer/Lubricator and the Lyman 450/4500 Lube Sizer. Top Punches sold separately.

# Safety Instruction Guide for LUBEAMATIC2 LUBE AND SIZER DIES RCBS 0.356" BULLET SIZING DIE

## Introduction

Thank you for choosing the RCBS LubeAMatic2 Lube and Sizer Dies. This guide is designed to provide you with essential safety instructions to ensure the safe and effective use of this product. It is important to read and understand these guidelines before using the product to minimize any risks associated with its use.

## General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always follow the manufacturer's instructions for safe operation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If any part of the product is damaged, discontinue use immediately and contact the manufacturer for guidance.
- Report any unsafe product incidents to the appropriate authorities.
- Stay updated on product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the LubeAMatic2.
- Ensure that the work area is clean, dry, and wellventilated.
- Avoid using the product in wet or damp conditions.
- Do not overload the LubeAMatic2 beyond its recommended capacity.
- Be cautious of moving parts when operating the product.
- Never attempt to modify or repair the product unless you are qualified to do so.
- Store the product in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Place the LubeAMatic2 on a stable and flat surface.
- Ensure that the unit is properly secured and will not move during operation.
- Attach the sizing die according to the manufacturer's instructions, ensuring it is tightened securely.

### 2. Usage:

- Prepare the bullets for sizing and lubricating by ensuring they are clean and free from debris.
- Insert the bullets into the LubeAMatic2, following the manufacturer's guidelines for alignment.
- Operate the LubeAMatic2 according to the instructions provided, ensuring a steady and controlled motion.
- Monitor the process to ensure that the bullets are being sized and lubricated correctly.
- After use, clean the LubeAMatic2 and store it in a safe location.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product has reached the end of its life cycle, dispose of it responsibly. Check with local authorities for recycling options.

- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please contact the manufacturer or refer to the product documentation provided. It is essential to ensure that you have the most recent information regarding safety and usage guidelines.

By adhering to these safety instructions, you can ensure a safe and effective experience with the RCBS LubeAMatic2 Lube and Sizer Dies. Thank you for your attention to safety.
