

# LUBE-A-MATIC-2 LUBE AND SIZER DIES - RCBS 0.458" BULLET SIZING DIE

[Reloading](#) > [Bullet Casting](#) > [Lube & Sizer Dies](#)

RCBS Lube-A-Matic Lube and Sizer Dies make the process of lubricating and sizing cast bullets a breeze. Featuring hardened interiors, these dies insure proper alignment for perfectly cylindrical bullets. These sizer dies also help set and crimp gas checks. Fits RCBS Lube-A-Matic-2 Bullet Sizer/Lubricator and the Lyman 450/4500 Lube Sizer. Top Punches sold separately.

# LUBEAMATIC2 LUBE AND SIZER DIES RCBS 0.458" BULLET SIZING DIE Safety Instruction Guide

## Introduction

Thank you for choosing the RCBS LubeAMatic2 Lube and Sizer Dies. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of the product.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the product is used in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.
- If you encounter any issues or have safety concerns, contact your local distributor or retailer.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from moving parts during operation.
- Risk of burns from heated components.
- Risk of inhalation or skin contact with lubricants.

### • Avoiding Hazards:

- Always ensure that the machine is turned off and unplugged when not in use.
- Do not operate the product with wet hands or in wet conditions.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles.
- Ensure that the workspace is clear of obstructions and that you have a stable surface to work on.
- Do not exceed the recommended usage limits as specified in the product manual.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the LubeAMatic2 Lube and Sizer Dies carefully.
- Inspect all components for any damage before installation.
- Follow the manufacturer's instructions to properly install the dies into your RCBS LubeAMatic2 Bullet Sizer/Lubricator or Lyman 450/4500 Lube Sizer.
- Ensure that all components are securely fastened and aligned.

### 2. Usage:

- Prepare your cast bullets by ensuring they are clean and dry before sizing.
- Load the bullets into the die according to the manufacturer's recommendations.
- Apply the lubricant as instructed, ensuring even coverage on the bullets.
- Operate the sizer according to the provided instructions, maintaining a steady pace.
- After use, clean the dies to prevent buildup of lubricant or debris.

### 3. PostUsage:

- Always turn off and unplug the machine after use.
- Store the dies in a safe, dry place out of reach of children and pets.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- For lubricants and other chemicals, refer to the material safety data sheet (MSDS) for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the product or safety concerns, please contact your local distributor or retailer for assistance. They will provide the necessary support and information.

Thank you for your attention to these safety instructions. Enjoy using your RCBS LubeAMatic2 Lube and Sizer Dies safely and effectively!
