LUBEAMATIC2 TOP PUNCHES RCBS #632 TOP PUNCH Safety Instructions Guide

Introduction

Thank you for choosing the LUBEAMATIC2 TOP PUNCHES RCBS #632 TOP PUNCH. This product is designed to fit the bullet nose shape and prevent deformation during the sizing and lubrication process. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always read the product manual before use.
- Ensure that the product is suitable for your specific application.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not use the product in any manner not specified by the manufacturer.

Specific Safety Precautions for Use

- Use only with compatible equipment (RCBS LubeAMatic Bullet Sizer/Lubricator or Lyman 450/4500 Lube Sizer).
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling or using the product.
- Avoid contact with sharp edges and moving parts during operation.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Do not exceed the manufacturer's recommended pressure or load limits.
- In case of malfunction or unusual noise, stop using the product immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that the LUBEAMATIC2 TOP PUNCH is compatible with your bullet sizer/lubricator.
- Remove any existing top punch from the sizer/lubricator.
- Align the new top punch with the sizer/lubricator and secure it in place according to the manufacturer's instructions.

2. Usage:

- Prepare the bullets for sizing/lubrication by ensuring they are clean and free from debris.
- Adjust the sizer/lubricator settings according to the type of bullet being processed.
- Operate the sizer/lubricator according to the manufacturer's specifications, ensuring that the top punch is functioning correctly.
- Monitor the process for any signs of malfunction or issues, and address them immediately.

Disposal Instructions

- Dispose of the product and any packaging materials according to local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- If the product is damaged or no longer usable, ensure that it is disposed of in a manner that prevents any potential hazards to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the LUBEAMATIC2 TOP PUNCHES RCBS #632 TOP PUNCH, please refer to the manufacturer's contact information provided with your product.

Conclusion

The LUBEAMATIC2 TOP PUNCHES RCBS #632 TOP PUNCH is designed with safety and effectiveness in mind. By following these safety instructions and guidelines, you can ensure a safe and productive experience. Remember to stay informed about any product recalls and updates through the EU Safety Gate platform. Thank you for your attention to safety.
