

# NECK EXPANDER BODY - RCBS NECK EXPANDER BODY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

To eliminate deforming the base and shaving lead off the sides of your lead rifle bullets during seating. RCBS strongly recommends using their Neck Expander Die. In one step, the neck expander die expands the neck and slightly flares the case mouth of your bottle neck cases.

# Safety Instruction Guide for RCBS Neck Expander Body

## Introduction

Thank you for choosing the RCBS Neck Expander Body. This product is designed to help you expand the neck and slightly flare the case mouth of your bottleneck cases, ensuring safe and effective seating of lead rifle bullets. This guide provides essential safety instructions and guidelines to ensure your safety while using this product.

## General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the product is used in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recalls and safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the Neck Expander Body can lead to injury or damage to the product.
  - Ensure that the product is compatible with your specific cartridge type.
- **Avoiding Hazards:**
  - Always wear appropriate protective gear, such as safety glasses, when using this product.
  - Do not exceed the recommended pressure limits when using the expander die.
  - Do not use the product if it is damaged or malfunctioning.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by an adult.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Neck Expander Die into the press according to the manufacturer's instructions.
- Adjust the die to the correct height for your specific cartridge.

### 2. Usage:

- Place the case in the shell holder of the press.
- Slowly raise the ram to engage the Neck Expander Die.
- Monitor the process to ensure the neck is being expanded and the case mouth flares appropriately.
- Lower the ram to remove the case from the die.

### 3. PostUse:

- Clean the Neck Expander Body and surrounding area after use to prevent buildup of debris.
- Store the product in a dry, safe place, away from children.

## **Disposal Instructions**

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Check with local authorities for specific disposal guidelines related to reloading equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the RCBS Neck Expander Body, please refer to the manufacturer's contact information provided with the product packaging or visit the official RCBS website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
