

# NECK EXPANDER DIES FOR CAST BULLETS - RCBS NECK EXPANDER DIE 0.358"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

To eliminate deforming the base and shaving lead off the sides of your lead rifle bullets during seating. RCBS strongly recommends using their Neck Expander Die. In one step, the neck expander die expands the neck and slightly flares the case mouth of your bottle neck cases.

## NECK EXPANDER DIE 0.358" Safety Instruction Guide

### Introduction

Thank you for choosing the NECK EXPANDER DIES FOR CAST BULLETS RCBS NECK EXPANDER DIE 0.358". This product is designed to enhance your reloading experience by preventing deformation of the base and shaving lead off the sides of your lead rifle bullets during seating. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always ensure that you are using the product in accordance with the manufacturer's instructions.
- Be aware of potential hazards associated with reloading and handling ammunition.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Regularly check for product recalls or safety alerts through the EU Safety Gate platform.
- If you notice any defects or issues with the product, cease use immediately and report it to the appropriate authorities.

### Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Ensure that your work area is clean, dry, and welllit to avoid accidents.
- Use the Neck Expander Die only for the specific cartridge size indicated (358 Norma Mag).
- Do not exceed the recommended specifications for your reloading equipment and components.
- Keep hands and other body parts clear of the die's moving parts during operation to avoid injury.
- Be cautious of lead exposure; wash hands thoroughly after handling lead components.

### Instructions for Installation and Usage

#### 1. Installation:

- Securely mount the Neck Expander Die in your reloading press according to the manufacturer's instructions.
- Ensure that the die is properly aligned and tightened to prevent movement during operation.

#### 2. Usage:

- Prepare your bottle neck cases by cleaning them thoroughly before use.
- Adjust the die to the desired depth for expanding the neck and flaring the case mouth.
- Insert the case into the die and operate the reloading press to expand the neck and flare the case mouth.
- Inspect the cases after processing to ensure proper expansion and flaring.
- Store the die in a safe location when not in use to prevent damage.

## **Disposal Instructions**

- Dispose of any defective or unusable parts in accordance with local regulations for hazardous waste.
- Do not dispose of lead components in regular trash; check for local recycling programs that accept lead materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the NECK EXPANDER DIES FOR CAST BULLETS RCBS NECK EXPANDER DIE 0.358", please refer to the manufacturer's contact information provided with the product packaging. It is important to reach out to the manufacturer for support, especially in the event of a safety issue or product recall.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the NECK EXPANDER DIES FOR CAST BULLETS RCBS NECK EXPANDER DIE 0.358".
