

SHORT HANDLE FOR SUMMIT RELOADING PRESS - RCBS SUMMIT SHORT HANDLE

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

This short handle replaces the long handle that comes standard on the Summit Single-Stage Reloading Press. The shorter 8 1/8" length provides the user with a higher degree of 'feel' while performing operations that can benefit from more tactile feel such as bullet seating and case crimping. It also allows for less arm/hand movement to reduce fatigue, and in higher tabletop applications reduces the reach required of the user. FEATURES Replaces the long handle that comes standard on the Summit Single-Stage Reloading Press Provides higher degree of 'feel' while bullet seating and case crimping Less arm and hand movement to reduce fatigue

Safety Instruction Guide for SHORT HANDLE FOR SUMMIT RELOADING PRESS RCBS SUMMIT SHORT HANDLE

Introduction

Thank you for choosing the SHORT HANDLE FOR SUMMIT RELOADING PRESS RCBS SUMMIT SHORT HANDLE. This product is designed to enhance your reloading experience by providing improved control and comfort. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the reloading press is used in a wellventilated area.
- Keep the work area clean and free of clutter to prevent accidents.
- Store the handle and reloading press out of reach of children and pets.
- Regularly inspect the handle and press for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the handle only with the RCBS Summit SingleStage Reloading Press.
- Do not exceed the recommended force when operating the handle to prevent injury.
- Always wear safety glasses when reloading to protect your eyes from potential hazards.
- Ensure that your hands are dry and free of any substances that could cause slippage.
- Do not attempt to modify or alter the handle in any way.
- Keep hands and clothing away from moving parts during operation.
- Avoid using the handle if you are tired or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation:

- Ensure the Summit SingleStage Reloading Press is turned off and unplugged.
- Remove the existing long handle by loosening the securing screw.
- Align the SHORT HANDLE with the handle mount on the press.
- Securely fasten the SHORT HANDLE in place using the provided screw.
- Doublecheck that the handle is firmly attached before use.

2. Usage:

- Position yourself comfortably at the reloading press.
- Hold the SHORT HANDLE firmly with one hand while operating the press.
- Apply even pressure to the handle to ensure smooth operation.
- Monitor your body position to avoid strain during prolonged use.
- If you experience discomfort or fatigue, take a break and rest.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, recycle it at a designated recycling facility.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service department directly. They can provide additional information and assistance related to the SHORT HANDLE FOR SUMMIT RELOADING PRESS RCBS SUMMIT SHORT HANDLE.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety!
