

# WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 243 WINCHESTER ACKLEY IMPROVED TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

## Attributes

- Name: [LITTLE CROW GUNWORKS. 243 WINCHESTER ACKLEY IMPROVED TRIM CHAMBER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 749014419
- Mfr. No.: LCG-WFT2-243 WIN AI
- Cartridge: 243 Winchester Ackley Improved
- Delivery weight: 0.023kg
- Shipping height: 10mm
- Shipping width: 79mm
- Shipping length: 76mm

# WFT 2 Trimmer Little Crow Gunworks Safety Instructions

## Introduction

Thank you for choosing the WFT 2 Trimmer by Little Crow Gunworks. This product is designed for precision trimming of cartridge cases. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the WFT 2 Trimmer is used only for its intended purpose as described in the product manual.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the trimmer.
- Keep the work area clean and free of clutter to prevent accidents.
- Store the trimmer and its accessories in a dry, secure location out of reach of children and pets.
- Regularly inspect the trimmer for wear or damage. Do not use if any parts are broken or missing.
- Be aware of your surroundings while using the trimmer. Ensure that no one is in close proximity to the operating area.
- Follow all local regulations regarding the use and disposal of cartridge cases and accessories.

## Specific Safety Precautions for Use

- Do not exceed the maximum caliber of 45 when using the trimmer.
- Only use the appropriate trim chamber for the cartridge you intend to trim. Ensure that it is securely fitted before operation.
- Avoid wearing loose clothing or jewelry that may get caught in the trimmer.
- Keep hands and fingers clear of the cutting area during operation.
- Always turn off and unplug the trimmer when changing trim chambers or making adjustments.
- Ensure the cutter is securely tightened before use to avoid it loosening during operation.
- If you feel unwell or distracted, do not operate the trimmer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a half inch chuck compatible with the trimmer's shaft.
- Gather your cartridge cases and the appropriate trim chamber for your needs.

### 2. Changing Trim Chambers:

- Turn off and unplug the trimmer.
- Remove the cutter by loosening the set screws.
- Use the provided knockout dowel to push out the existing trim chamber.
- Insert the new trim chamber by placing it on a flat surface and gently pushing the housing onto it until secure.

### 3. Setting Cutter Depth:

- Place a "master case" in the trim chamber.
- Slide the cutter up to the case mouth.
- Tighten the set screws to secure the cutter in place.

#### **4. Trimming Process:**

- With the trimmer properly set up, insert the cartridge case into the trim chamber.
- Activate the trimmer according to the manufacturer's instructions.
- Monitor the trimming process to ensure precision and safety.

#### **5. PostUse:**

- Turn off and unplug the trimmer after use.
- Clean the trimmer and its components to maintain functionality.
- Store the trimmer and accessories in a safe location.

## **Disposal Instructions**

- Dispose of cartridge cases and any trimmer components in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the WFT 2 Trimmer, please refer to the contact information provided in the product manual or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your WFT 2 Trimmer!
