

# WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 257 ROBERTS ACKLEY IMPROVED TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

## Attributes

- Name: [LITTLE CROW GUNWORKS. 257 ROBERTS ACKLEY IMPROVED TRIM CHAMBER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 749014425
- Mfr. No.: LCG-WFT2-257 ROBERTS AI
- Cartridge: 257 Roberts Ackley Improved
- Delivery weight: 0.045kg
- Shipping height: 10mm
- Shipping width: 74mm
- Shipping length: 76mm

# WFT 2 Trimmer Little Crow Gunworks Safety Instructions

## Introduction

Thank you for choosing the WFT 2 Trimmer from Little Crow Gunworks. This product is designed to provide precision trimming for your firearm cartridges. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the trimmer in accordance with the manufacturer's instructions.
- Keep the trimmer out of reach of children and individuals who may not understand its use.
- Inspect the trimmer and its components for any damage before each use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), including safety glasses, to protect against flying debris.
- Ensure your workspace is clean and free of clutter to prevent accidents.
- Only use the trimmer with compatible cartridge cases as specified by the manufacturer.
- Report any unsafe conditions or incidents to relevant authorities immediately.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the trimmer in any way.
- Always ensure the trimmer is securely mounted in a stable work area before use.
- Avoid wearing loose clothing or jewelry that may become entangled in the trimmer.
- Keep hands and other body parts clear of the cutting area while the trimmer is in operation.
- Use the provided knockout dowel to change trim chambers safely. Do not use excessive force.
- Ensure the cutter depth is adjusted properly before starting any trimming operation.
- Do not operate the trimmer if you are tired or under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### Installation

1. **Mounting the Trimmer:** Securely attach the WFT 2 Trimmer to a stable work surface using a halfinch chuck to drive the shaft.
2. **Changing Trim Chambers:**
  - Remove the cutter from the trimmer.
  - Use the knockout dowel provided to push out the trim chamber.
  - To install a new trim chamber, place it on a flat surface and push the housing onto the trim chamber steadily until it is seated.
3. **Setting Cutter Depth:**
  - Insert a "master case" into the trim chamber.
  - Slide the cutter up to the case mouth and tighten the set screws to lock the position.

### Usage

- Begin trimming by ensuring the trimmer is powered on and the cutter is properly positioned.
- Feed the cartridge case into the trimmer and allow the cutter to perform the trimming operation.
- After trimming, inspect the case for precision and cleanliness.
- If necessary, repeat the trimming process for additional cases.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where applicable.
- Ensure that all waste is disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the WFT 2 Trimmer, please refer to the manufacturer's website or contact their support team for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your WFT 2 Trimmer. Thank you for your attention to safety and for choosing Little Crow Gunworks.
