

# WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 7.62X39MM TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

## Attributes

- Name: [LITTLE CROW GUNWORKS. 7.62X39MM TRIM CHAMBER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 749014449
- Mfr. No.: LCG-WFT2-7.62X39
- Cartridge: 7.62 x 39 mm
- Delivery weight: 0.018kg
- Shipping height: 25mm
- Shipping width: 51mm
- Shipping length: 95mm

# WFT 2 Trimmer Little Crow Gunworks Safety Instruction Guide

## Introduction

Thank you for purchasing the WFT 2 Trimmer from Little Crow Gunworks. This guide provides essential safety instructions and usage information to ensure your safe and effective use of the product. Please read this manual carefully before using the trimmer.

## General Safety Guidelines

To ensure your safety and the proper functioning of the WFT 2 Trimmer, please follow these general safety guidelines:

- Always use the trimmer in a wellventilated area.
- Keep the trimmer and its components out of reach of children and pets.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when operating the trimmer.
- Inspect the trimmer and its components for damage before each use. Do not use if any part is damaged.
- Ensure the trimmer is properly secured on a stable work surface before use.
- Always turn off and unplug the trimmer when changing trim chambers or making adjustments.

## Specific Safety Precautions for Use

When using the WFT 2 Trimmer, please observe the following safety precautions:

- Do not exceed the maximum caliber capacity of 45 caliber.
- Ensure that the chuck used to drive the trimmer is compatible with the halfinch shaft.
- Avoid wearing loose clothing or accessories that could become entangled in the trimmer.
- Keep hands and other body parts away from moving parts during operation.
- Do not attempt to modify or alter the trimmer in any way.
- If you experience any unusual noises or vibrations, stop using the trimmer immediately and inspect it for issues.

## Instructions for Installation and Usage

To ensure safe and effective operation of the WFT 2 Trimmer, follow these stepbystep instructions:

### 1. Setting Up the Trimmer:

- Place the trimmer on a stable, flat surface.
- Secure the trimmer in a vice or clamp to prevent movement during use.

### 2. Changing Trim Chambers:

- Turn off and unplug the trimmer.
- Remove the cutter by unscrewing it from the housing.
- Use the provided knockout dowel to push out the current trim chamber.
- Insert the new trim chamber by placing it on a flat surface and pushing the housing onto it.

### 3. Adjusting Cutter Depth:

- Insert a master case into the trim chamber.
- Slide the cutter up to the case mouth.

- Tighten down the set screws to secure the cutter in place.

#### **4. Trimming Cases:**

- With the trimmer powered on, feed the case into the trim chamber.
- Ensure that the case is properly aligned before trimming.
- Monitor the trimming process to ensure precision and cleanliness.

#### **5. After Use:**

- Turn off and unplug the trimmer.
- Clean the trimmer and its components to remove any debris.
- Store the trimmer and accessories in a safe location.

## **Disposal Instructions**

When disposing of the WFT 2 Trimmer, please follow these guidelines:

- Do not dispose of the trimmer in regular household waste.
- Check local regulations for proper disposal methods for electronic devices.
- Consider recycling the trimmer and its components at designated recycling centers.

## **Contact Information for Further Support**

For any inquiries or further support regarding the WFT 2 Trimmer, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and effective experience with your WFT 2 Trimmer. Thank you for choosing Little Crow Gunworks.
