# Safety Instruction Guide for MICROADJUST BULLET SEATERS

## Introduction

Thank you for choosing the Sinclair International MicroAdjust Bullet Seater for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with all safety procedures related to reloading ammunition.
- Always use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Always wear appropriate safety equipment, including safety glasses and gloves, when using this product.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The MicroAdjust Bullet Seater is designed for precision reloading. Improper use may result in inaccurate ammunition or potential injury.

- **Avoiding Hazards:**

- Always ensure the die is securely mounted before use.
- Do not exceed the recommended adjustments for bullet seating depth.
- Handle all components with care to prevent injury from sharp edges or moving parts.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep it away from children and individuals who are not trained in firearms and ammunition handling.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading press is properly set up and secured.
2. Insert the MicroAdjust Bullet Seater die into the press and tighten it securely.
3. Attach the appropriate seater stem for the bullet you are using.

- **Usage:**

- Adjust the seating depth by turning the die body. Each click represents a .0005" adjustment.
- Use the graduated scale for consistent bullet seating across different sessions.
- After adjusting, perform a test seating with a dummy round to ensure proper depth before proceeding with live ammunition.
- Always doublecheck the seating depth before finalizing your reloads.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw the product in regular household waste. Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MicroAdjust Bullet Seater, please contact the manufacturer or your local distributor. Ensure that you have the product details ready for reference.

## **Conclusion**

Following these safety instructions will help you use the Sinclair International MicroAdjust Bullet Seater effectively and safely. Always prioritize safety and compliance with local regulations while reloading ammunition. Thank you for your attention to these important guidelines.
