

# **RDF REDUCED DRAG FACTOR 6MM (0.243") BULLETS - NOSLER RDF 6MM (0.243") HOLLOW POINT BOAT TAIL 115GR 100/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Flattest Shooting Match Bullet On The Market For those wanting to squeeze the most performance from their competition rifle, Nosler's new RDF (Reduced Drag Factor) match bullet line is the ideal choice. Nosler's RDF line was designed from the ground up to provide exceptionally high BCs, which create the flattest trajectory and least wind drift possible. The keys to the RDF's outstanding performance are Nosler's meticulously optimized compound ogive and long, drag reducing boattail, which make handloading a snap and create an incredibly sleek form factor. RDF bullets also have the smallest, most consistent meplats of any hollow point match bullet line, so there is no need to point or trim tips. Highest B.C.'s, smallest meplat, tighter groups - Nosler RDF.

## **Attributes**

- Name: [NOSLER RDF 6MM \(0.243"\) HOLLOW POINT BOAT TAIL 115GR 100/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749014531
- Mfr. No.: 53507
- Ballistic Coefficient (G1): -
- Ballistic Coefficient (G7): 0.312
- Brand Style: Reduced Drag Factor
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6mm,243 Caliber
- Diameter (Breech): 0.243
- Diameter (in): 0.243
- Grain: 115
- Sectional Density: -
- Quantity: 100
- Delivery weight: 0.794kg
- Shipping height: 51mm
- Shipping width: 89mm
- Shipping length: 127mm
- UPC: 054041535076

# Safety Instruction Guide for RDF Reduced Drag Factor 6mm (0.243") Bullets

## Introduction

Thank you for choosing Nosler RDF Reduced Drag Factor 6mm (0.243") Bullets. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling and usage of ammunition.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Always handle ammunition with care to prevent accidental discharge.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

## Specific Safety Precautions for Use

- Use only in firearms specifically designed for 6mm (0.243") ammunition.
- Inspect ammunition for any signs of damage or defects before use.
- Do not attempt to modify or alter the bullets in any way.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use ammunition that has been exposed to extreme temperatures or moisture.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure that your firearm is unloaded before beginning the loading process.
- Use a reliable reloading press and follow the manufacturer's instructions for loading.
- Carefully insert the RDF bullets into the cartridge cases, ensuring a secure fit.

### 2. Shooting:

- Always check that the firearm is in proper working condition before shooting.
- Load the firearm in a safe area, away from people and animals.
- When ready to shoot, aim at a safe target and ensure that no one is in the line of fire.
- After shooting, safely unload the firearm and store it according to local regulations.

### 3. PostUse Care:

- Clean your firearm according to the manufacturer's guidelines after using RDF bullets.
- Store any remaining ammunition in a secure location.

## Disposal Instructions

- Dispose of used or damaged ammunition according to local laws and regulations.
- Do not throw away ammunition in regular trash.
- Contact local authorities or a licensed ammunition disposal service for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided on the product packaging.
