

# 22 CALIBER LONG RANGE HYBRID TARGET BULLETS - BERGER BULLETS 22 CALIBER 85.5GR LONG RANGE HYBRID 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger 22 caliber 85.5 Grain Long Range Hybrid Target™ Bullets feature an improved center of gravity and ballistic coefficient. Utilizing advanced and proprietary manufacturing processes, Bergers new innovative Meplat Reduction Technology™ (MRT™) System applies controlled pressure along the projectile nose, producing a homogeneous and repeatable bullet profile for the industry's most consistent Ballistic Coefficients ("BC"). While a high BC is desirable to competitive shooters, shot-to-shot BC consistency is critical when engaging targets to 1,000 yards and beyond. Berger's ballistic coefficients are all Doppler-radar verified with standard deviation unmatched by all other manufacturers.

## Attributes

- Name: [BERGER BULLETS 22 CALIBER 85.5GR LONG RANGE HYBRID 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749014541
- Mfr. No.: 22485
- Ballistic Coefficient (G1): 0.524
- Ballistic Coefficient (G7): 0.268
- Brand Style: Hybrid Target
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 22 Caliber
- Diameter (Breech): 0.224
- Diameter (in): 0.224
- Grain: 85.5
- Quantity: 100
- Delivery weight: 0.612kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 89mm
- UPC: 679459224857

# Safety Instruction Guide for Berger 22 Caliber Long Range Hybrid Target Bullets

## Introduction

Thank you for choosing the Berger 22 Caliber 85.5 Grain Long Range Hybrid Target Bullets. This safety instruction guide is designed to help you understand the safe use, handling, and disposal of these bullets. Please read this guide thoroughly to ensure your safety and compliance with EU regulations.

## General Safety Guidelines

- Always treat all ammunition as if it is live and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and unauthorized users.
- Use only in firearms that are specifically chambered for .22 caliber ammunition.
- Ensure that you are familiar with the specific firearm's operation and safety features before using these bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or shooting ammunition.
- Do not consume food or beverages while handling ammunition.
- Inspect bullets for any signs of damage or defects before use. If any are found, do not use the bullets.
- Avoid using these bullets in firearms that are not in good working condition.
- Ensure that the firearm is pointed in a safe direction at all times during loading, unloading, and shooting.
- Never attempt to modify or alter the bullets or the firearm in any way.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and check that it is unloaded.
- Insert the bullets into the magazine or chamber, following the manufacturer's instructions for your specific firearm.

### 2. Shooting:

- Assume a stable shooting position.
- Ensure the area is clear of people and obstacles.
- Fire the bullet only when you are ready and it is safe to do so.
- After firing, keep the firearm pointed downrange until you are ready to check for results.

### 3. Unloading:

- When finished shooting, always unload the firearm in a safe area.
- Check that the firearm is clear of any bullets before storing.

## Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular trash or recycling bins.

- Contact local authorities or waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Berger 22 Caliber 85.5 Grain Long Range Hybrid Target Bullets, please reach out to your local dealer or consult the manufacturer's website for additional resources.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Berger bullets. Always prioritize safety and be aware of your surroundings when handling ammunition.
