

6MM LONG RANGE HYBRID TARGET BULLETS - BERGER BULLETS

6MM 109GR LONG RANGE HYBRID TARGET 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's new 6mm 109 Grain Long Range Hybrid Target® Bullets incorporate an improved center of gravity and ballistic coefficient through Berger's new and innovative MRT® (Meplat Reduction Technology) System, which utilizes game-changing manufacturing processes unique to all other bullet maker's designs. Berger's MRT® System applies controlled pressure along the projectile nose, producing a homogeneous and repeatable bullet profile creating the industry's most consistent Ballistic Coefficients. Competitive shooters recognize the importance of a high BC, however, shot-to-shot BC consistency becomes hyper-critical when engaging targets to 1,000 yards and beyond. Berger's ballistic coefficients are Doppler-radar proven and industry-leading in consistency, unmatched by all others.

Attributes

- Name: [BERGER BULLETS 6MM 109GR LONG RANGE HYBRID TARGET 500/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749014543
- Mfr. No.: 24785
- Ballistic Coefficient (G1): 0.568
- Ballistic Coefficient (G7): 0.292
- Brand Style: Long Range Hybrid Target
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 243 Caliber, 6mm
- Diameter (Breech): 0.243
- Diameter (in): 0.243
- Grain: 109
- Quantity: 500
- Delivery weight: 3.719kg
- Shipping height: 76mm
- Shipping width: 127mm
- Shipping length: 152mm
- UPC: 679459247856

Safety Instruction Guide for 6MM Long Range Hybrid Target Bullets

Introduction

Thank you for choosing the 6MM Long Range Hybrid Target Bullets by Berger Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to maximize safety and performance.

General Safety Guidelines

- Always treat all bullets as if they are live ammunition.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms that are designed for 6mm caliber ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Regularly inspect your firearms and ammunition for signs of damage or wear.

Specific Safety Precautions for Use

- Ensure that you are using the correct bullet type for your firearm to prevent malfunctions or accidents.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Be aware of your surroundings and ensure you have a safe and appropriate shooting environment.
- Never point a firearm at anything you do not intend to shoot.
- Do not consume alcohol or drugs before handling or firing ammunition.
- If you experience any misfires or malfunctions, follow the manufacturer's instructions for clearing the issue safely.

Instructions for Installation and Usage

- Before loading, ensure the firearm is pointed in a safe direction and the safety is engaged.
- Load the bullets into the magazine or chamber according to the firearm's manual.
- After loading, check that the firearm is functioning properly and that the safety is engaged until you are ready to shoot.
- When ready to shoot, disengage the safety and aim at your target.
- After shooting, always ensure the firearm is unloaded before cleaning or storing.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 6MM Long Range Hybrid Target Bullets, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can help ensure a safe and enjoyable experience with your 6MM Long Range Hybrid Target Bullets. Stay safe and responsible while enjoying your shooting activities.
