

6.5MM LONG RANGE HYBRID TARGET BULLETS - BERGER BULLETS

6.5MM (0.264") 144GR LONG RANGE HYBRID TARGET 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger 6.5mm Long Range Hybrid Target® Bullets incorporate an improved center of gravity and ballistic coefficient through Berger's new and innovative MRT® (Meplat Reduction Technology) System, which utilizes game-changing manufacturing processes unique to all other bullet maker's designs. Berger's MRT® System applies controlled pressure along the projectile nose, producing a homogeneous and repeatable bullet profile creating the industry's most consistent Ballistic Coefficients. Competitive shooters recognize the importance of a high BC, however, shot-to-shot BC consistency becomes hyper-critical when engaging targets to 1,000 yards and beyond. Berger's ballistic coefficients are Doppler-radar proven and industry-leading in consistency, unmatched by all others.

Attributes

- Name: [BERGER BULLETS 6.5MM \(0.264"\) 144GR LONG RANGE HYBRID TARGET 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749014544
- Mfr. No.: 26485
- Ballistic Coefficient (G1): 0.655
- Ballistic Coefficient (G7): 0.336
- Brand Style: Long Range Hybrid Target
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 264 Caliber, 6.5mm
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 144
- Quantity: 100
- Delivery weight: 0.984kg
- Shipping height: 41mm
- Shipping width: 89mm
- Shipping length: 84mm
- UPC: 679459264853

Safety Instruction Guide for Berger 6.5MM Long Range Hybrid Target Bullets

Introduction

Thank you for choosing Berger 6.5MM Long Range Hybrid Target Bullets. This guide provides essential safety instructions and guidelines to ensure the safe handling and usage of this product. Please read this document carefully before use to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your area.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect ammunition before use. Do not use any bullets that are damaged or show signs of corrosion.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Be aware of your surroundings and ensure that you are in a safe location when shooting.
- Follow all manufacturer instructions for your firearm and ensure that it is compatible with the ammunition you are using.

Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded.
- Do not point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that your firearm is pointed in a safe direction at all times.
- Be cautious of potential ricochet hazards in your shooting environment.
- Do not attempt to modify or disassemble bullets or ammunition.

Instructions for Installation and Usage

- Ensure that your firearm is unloaded before inserting ammunition.
- Load bullets according to the manufacturer's specifications for your firearm.
- Check that the bullet is seated properly in the chamber before firing.
- Fire bullets in a controlled manner, allowing for proper aim and followthrough.
- After use, ensure that you clean your firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in the regular trash. Contact local waste management authorities for proper disposal methods.
- If you have any concerns about the disposal of ammunition, consult with local law enforcement or a qualified professional.

Contact Information for Further Support

For product safety inquiries, please refer to the appropriate regulatory authorities or consult with a qualified firearms expert. Always stay informed about safety recalls or updates regarding your ammunition.

Thank you for prioritizing safety when using Berger 6.5MM Long Range Hybrid Target Bullets. Your adherence to these guidelines helps ensure a safe shooting experience for you and those around you.
