

6.5MM LONG RANGE HYBRID TARGET BULLETS - BERGER BULLETS

6.5MM (0.264") 153.5GR LONG RANGE HYBRID TARGET 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger 6.5mm Long Range Hybrid Target® Bullets incorporate an improved center of gravity and ballistic coefficient through Berger's new and innovative MRT® (Meplat Reduction Technology) System, which utilizes game-changing manufacturing processes unique to all other bullet maker's designs. Berger's MRT® System applies controlled pressure along the projectile nose, producing a homogeneous and repeatable bullet profile creating the industry's most consistent Ballistic Coefficients. Competitive shooters recognize the importance of a high BC, however, shot-to-shot BC consistency becomes hyper-critical when engaging targets to 1,000 yards and beyond. Berger's ballistic coefficients are Doppler-radar proven and industry-leading in consistency, unmatched by all others.

Attributes

- Name: [BERGER BULLETS 6.5MM \(0.264"\) 153.5GR LONG RANGE HYBRID TARGET 500/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749014756
- Mfr. No.: 26786
- Ballistic Coefficient (G1): 0.694
- Ballistic Coefficient (G7): 0.356
- Brand Style: Long Range Hybrid Target
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 153.5
- Quantity: 500
- Delivery weight: 5.443kg
- Shipping height: 76mm
- Shipping width: 127mm
- Shipping length: 152mm
- UPC: 679459267861

Safety Instruction Guide for 6.5MM Long Range Hybrid Target Bullets

Introduction

Thank you for choosing the Berger 6.5mm Long Range Hybrid Target Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure you are familiar with the safe handling and use of ammunition.
- Keep the product out of reach of children and unauthorized users.
- Always handle bullets with care to avoid accidental discharge.
- Store the bullets in a cool, dry place, away from direct sunlight and moisture.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using firearms.
- Regularly check for any recalls or safety alerts related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for 6.5mm cartridges.
- Verify that your firearm is in good working condition before use.
- Follow all local laws and regulations regarding the use of ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed bullets, as they may pose safety risks.
- Always point the firearm in a safe direction when loading or unloading.
- Be aware of your surroundings and ensure there are no people or animals in the vicinity when firing.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a suitable reloading setup, including a reloading press, dies, and other necessary equipment.
- Gather all components needed for reloading, including primers, powder, and cases.

2. Reloading Process:

- Carefully follow the reloading data provided by reputable sources to determine the correct powder charge for the 6.5mm Long Range Hybrid Target Bullets.
- Inspect each case for damage or wear before reloading.
- Seat the bullet firmly into the case mouth, ensuring it is properly aligned.

3. Storage:

- After reloading, store your ammunition in a secure, dry location.
- Use labeled containers to keep track of different loads and types of ammunition.

4. Firing:

- When ready to fire, ensure the firearm is pointed in a safe direction.
- Load the ammunition into the firearm according to the manufacturer's instructions.
- Ensure that the firearm is properly secured and that the safety is engaged until you are ready to

shoot.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management services for proper disposal methods.
- Ensure that spent casings are collected and disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any safety inquiries, please refer to the EUbased contact point provided by the manufacturer or visit the EU Safety Gate platform for updates on recalls and safety alerts.

By following these safety instructions, you can ensure a safer experience while using the Berger 6.5mm Long Range Hybrid Target Bullets. Always prioritize safety and be aware of your responsibilities as a user of ammunition. Thank you for your attention to these important guidelines.
