

ELITE HUNTER 6MM (0.243") BULLETS - BERGER BULLETS 6MM (0.243") 108GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger 6mm 108 Grain Elite Hunter was developed for hunters and long range enthusiasts seeking a high ballistic coefficient (BC) projectile that delivers massive hydrostatic shock. The 108's pair well with platforms chambered in 6mm Creedmoor, 6mm BR, 6x47 Lapua, 243 Winchester, 6mm Remington, 6XC, and a great number of other 6mm wildcat cartridges popular today. The 6mm 108 Grain Elite Hunter utilizes Berger's industry-leading hybrid ogive design, which blends tangent and secant designs to optimize efficiency, reduce wind-drift, and minimize sensitivity to seating depth. Its sleek profile features an ultra-high ballistic coefficient (BC) and increased sectional density, delivering the highest energy retention upon impact. Berger 6mm 108 Grain Elite Hunters are easy to load and shoot, and provide unmatched accuracy and performance.

ELITE HUNTER 6MM (0.243") BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ELITE HUNTER 6MM (0.243") BULLETS by BERGER BULLETS. This guide provides essential safety instructions to ensure the safe and effective use of these bullets. Please read this guide thoroughly before handling or using the product.

General Safety Guidelines

- Always treat all bullets as if they are live and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use only in firearms specifically designed for 6mm caliber ammunition.
- Always wear appropriate eye and ear protection when handling or shooting.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

Specific Safety Precautions for Use

- Ensure that your firearm is in good working order and properly maintained before use.
- Check the bullet specifications to ensure compatibility with your firearm.
- Do not exceed the recommended loads as specified by your firearm's manufacturer.
- Always keep the firearm pointed in a safe direction.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Do not attempt to modify or alter the bullets in any way.
- Avoid using damaged or deformed bullets.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you are in a safe environment with proper ventilation.
- Gather all necessary equipment, including a reloading press, dies, and safety gear.

2. Loading Bullets:

- Carefully remove the bullets from the packaging.
- Follow the reloading manual specific to your firearm and the type of bullet being used.
- Use the correct die for 6mm bullets when reloading.
- Ensure each bullet is seated to the proper depth as indicated in your reloading manual.

3. Firing:

- Load the bullets into the magazine or chamber of your firearm as per the manufacturer's instructions.
- Check that the firearm is on safe before loading.
- Once ready to fire, disengage the safety mechanism and aim at your target.
- After firing, always check the firearm for any malfunctions before reloading.

4. PostUse:

- After use, clean your firearm according to the manufacturer's recommendations.

- Store any unused bullets in their original packaging in a secure location.

Disposal Instructions

- Dispose of any damaged or expired bullets according to local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact local waste management authorities for proper disposal methods.
- If you have any unused or unwanted ammunition, consider contacting a local shooting range or law enforcement agency for safe disposal options.

Contact Information for Further Support

For any safety inquiries or additional information regarding the ELITE HUNTER 6MM (0.243") BULLETS, please refer to the manufacturer's website or contact your local dealer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with the ELITE HUNTER 6MM (0.243") BULLETS. Always prioritize safety and adhere to all guidelines to protect yourself and others. Thank you for your commitment to safe shooting practices.
