

WILSON CASE GAGE - L.E. WILSON 6MM ARC CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder. SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

Attributes

- Name: [L.E. WILSON 6MM ARC CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749014759
- Mfr. No.: CG-ARC
- Cartridge: 6 mm ARC
- Delivery weight: 0.091kg
- Shipping height: 38mm
- Shipping width: 38mm
- Shipping length: 89mm
- UPC: 815145027344

WILSON CASE GAGE Safety Instruction Guide

Introduction

Thank you for choosing the WILSON CASE GAGE for your reloading needs. This guide provides important safety information and instructions for the proper use of the 6MM ARC CASE GAGE. Please read this document carefully to ensure safe and effective operation.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the WILSON CASE GAGE by following all instructions. This product is designed for nonfood use and is intended for experienced users.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Please keep your purchase information for reference.
- **Online Shopping:** If you purchased this product online, you have the same safety protections as if you bought it in a physical store. Ensure that the online platform complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided during your purchase.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to oversizing of brass, which can affect the performance of your firearm.
 - Always measure headspace accurately to prevent malfunction.
- **Avoiding Hazards:**
 - Always use the case gage in accordance with the instructions provided.
 - Inspect the gage for any damage before each use.
 - Do not attempt to modify the gage in any way.
 - Ensure a clean working environment to avoid accidents.

Instructions for Installation and Usage

- **Setup:**
 - Ensure you have a clean, flat surface to work on.
 - Gather all necessary tools, including a caliper for measurement.
- **Using the Regular Style Gage:**
 - Insert the cartridge case into the gage.
 - Check the overall length; if it exceeds specifications, trimming is necessary.
 - Measure datum to head length to confirm correct headspace.
- **Using the Adjustable Style Gage:**
 - This gage is specifically for belted magnums.
 - Insert the case into the gage and ensure it is seated properly.
 - Check for proper headspace and adjust resizing at the shoulder to minimize wear on the case.
- **PostUse Care:**
 - Clean the gage after each use to maintain accuracy.
 - Store the gage in a safe and dry location to prevent damage.

Disposal Instructions

- Dispose of the WILSON CASE GAGE responsibly. If the gage is damaged or no longer usable, follow local regulations for disposal of metal products.
- Do not dispose of the gage in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the WILSON CASE GAGE, please refer to the customer support details provided at the time of purchase. Ensure you have your product information ready for a quicker response.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the WILSON CASE GAGE!
