

# RIFLE CASE HOLDERS - L.E. WILSON 6MM PPC FAMILY FIRED OVERSIZED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holders

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This product is designed to provide precision and uniformity when trimming, reaming, and deburring cases. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product manual.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and ensure it is used only by individuals who understand its operation.
- Use protective eyewear when operating the case holder to prevent injury from debris.
- Do not modify or attempt to repair the product without consulting the manufacturer.
- Store the product in a dry and secure location when not in use.

## Specific Safety Precautions for Use

- Only use the case holder with cases that are compatible with its design (Fired, New, Neck, or Full Length sized cases).
- Ensure the case is securely held in place before trimming or reaming to prevent it from slipping.
- Avoid wearing loose clothing or jewelry that could get caught in moving parts during operation.
- Do not exceed the manufacturer's recommended specifications for trimming or reaming.
- Always maintain a clean workspace to avoid accidents caused by clutter or distractions.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the trimmer is securely mounted to a stable work surface.
- Select the appropriate case holder for your specific case type (Fired, New, Neck, or Full Length sized).
- Insert the case into the holder, ensuring it is seated correctly and securely.

### 2. Usage

- Turn on the trimmer according to the manufacturer's instructions.
- Carefully feed the case into the trimmer, ensuring it is aligned properly.
- Follow the trimming or reaming process as outlined in the trimmer's manual.
- After use, turn off the trimmer and remove the case holder from the trimmer if necessary.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, seek out recycling facilities that accept metal and plastic components.
- Ensure that any hazardous materials are disposed of in a safe and environmentallyfriendly manner.

## Contact Information for Further Support

For any inquiries regarding the L.E. Wilson Rifle Case Holders, please refer to the manufacturer's contact details provided in the product packaging or on their official website.

## Conclusion

By adhering to these safety instructions, you can ensure a safe and effective experience while using the L.E. Wilson Rifle Case Holder. Remember to stay informed about any product recalls or safety updates through the EU Safety Gate platform. Thank you for prioritizing safety in your reloading practices.
