

RIFLE CASE HOLDERS - L.E. WILSON 6MM PPC FAMILY NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 6mm PPC Family New Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before using the case holder.

General Safety Guidelines

- Ensure that the L.E. Wilson Rifle Case Holder is used only for its intended purpose, which is to hold cases for trimming, primer pocket reaming, neck reaming, and deburring.
- Always inspect the case holder for any damage before use. Do not use if damaged.
- Keep the case holder out of reach of children and pets to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating trimming tools.
- Be aware of your surroundings and ensure that no one is in close proximity when using the case holder.

Specific Safety Precautions for Use

- Only use the case holder with compatible cases:
 - FIRED Case Holders are for Neck Sized Cases.
 - NEW Case Holders are for new, unfired brass or cases that have been fulllength sized.
- If you are unsure about the compatibility of your cases, consult the product specifications or contact support.
- Avoid overtightening the case holder as this may cause damage to the holder or the case.
- Do not attempt to modify or repair the case holder. If repairs are needed, contact the manufacturer.
- Always follow the manufacturer's instructions when using any trimming or reaming tools in conjunction with the case holder.

Instructions for Installation and Usage

1. Installation:

- Ensure the work area is clean and free of any debris.
- Place the case holder securely in your trimming tool or reamer.
- Confirm that the case holder is properly seated and tightened according to the tool's instructions.

2. Usage:

- Insert the case into the holder, ensuring it is held firmly.
- Follow the specific instructions for your trimming or reaming tool to perform the operation safely.
- After use, remove the case from the holder and inspect it for any damage.
- Clean the case holder after each use to maintain its condition.

Disposal Instructions

- Dispose of the L.E. Wilson Rifle Case Holder responsibly.
- Do not dispose of the case holder in regular household waste.
- Check local regulations for proper disposal methods for metal and plastic components.
- Consider recycling the product if possible.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the L.E. Wilson Rifle Case Holder. Always prioritize safety and take necessary precautions to protect yourself and others while using this product. Thank you for your attention to these important guidelines.
