CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 17 HORNET Safety Instruction Guide

Introduction

Thank you for choosing the Hornady Custom Grade 2Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading and firearm safety before using this product.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the working area clean and organized to prevent accidents.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding reloading and firearm use.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper use of reloading equipment can lead to serious injuries or accidents.
- Ensure that you are using the correct cartridge and die set for your specific reloading needs.

• Avoiding Hazards:

- Always doublecheck that you are using the correct components (brass, powder, bullets) for the 17 Hornet cartridge.
- Do not exceed recommended powder loads; refer to reliable reloading manuals for guidance.
- Never leave the reloading process unattended.
- Keep all materials and tools organized to prevent confusion and mistakes.

• AgeSpecific Warnings:

- This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Secure the full length sizing die and bullet seating die in your reloading press according to the manufacturer's instructions.
- Ensure that the dies are properly aligned and tightened to prevent movement during use.

2. Usage:

- Prepare your brass by cleaning and inspecting it for defects.
- Set the sizing die to the correct depth as per the specifications for the 17 Hornet cartridge.
- Resize the brass by following the reloading press instructions.
- After resizing, use the bullet seating die to seat the bullet to the desired depth.
- Always check the overall length of the cartridge using calipers to ensure it meets specifications.

3. **PostUse:**

- Clean the dies after use to remove any residue or debris.
- Store the dies in a protective case to prevent damage.

Disposal Instructions

- Dispose of any unused or excess reloading materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash; check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of your Hornady Custom Grade 2Die Set, please refer to the product manual or contact the manufacturer directly through their official website or customer service channels.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience with your Hornady Custom Grade 2Die Set. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety measures.
