

# PRIMER POCKET SWAGER COMBO-2 - RCBS PRIMER POCKET SWAGER COMBO-2

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

The Primer Pocket Swager has been redesigned to fit a larger group of cases. The swager rods are made from stronger high tensile steel, more than doubling the strength of the original design. Not for use on progressive presses.

# Safety Instruction Guide for PRIMER POCKET SWAGER COMBO2

## Introduction

Thank you for choosing the PRIMER POCKET SWAGER COMBO2 by RCBS. This product is designed to improve your reloading experience by swaging primer pockets for a variety of cases. To ensure your safety and the effective use of this product, please read and follow the instructions in this guide carefully.

## General Safety Guidelines

- Always wear appropriate safety gear, including eye protection and gloves, when using this product.
- Keep the work area clean and welllit to minimize the risk of accidents.
- Ensure that you are familiar with the operation of the tools you are using.
- Do not use the swager on cases that are not specified in the product guidelines.
- Always inspect the tool before use to ensure it is in good working condition.
- Store the swager in a dry place, away from children and pets.

## Specific Safety Precautions for Use

- Do not use the Primer Pocket Swager on progressive presses; it is designed for singlestage presses only.
- Be cautious when handling the swager rods, as they are made of high tensile steel and can be sharp.
- Ensure that your hands are dry and free from any substances that might cause slippage when using the tool.
- Avoid wearing loose clothing or jewelry that could become entangled in the tool during operation.
- If you experience any discomfort or pain while using the swager, stop immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Attach the swager to the press according to the manufacturer's instructions provided with the tool.
- Doublecheck that all connections are tight and secure before proceeding.

### 2. Usage:

- Select the appropriate swager rod for the case you are working with.
- Insert the case into the swager and ensure it is properly seated.
- Apply steady pressure to the handle of the press to swage the primer pocket.
- Release the pressure and remove the case once the swaging process is complete.
- Inspect the swaged primer pocket to ensure it meets your specifications.

## Disposal Instructions

- Dispose of any broken or damaged parts of the swager according to local regulations for metal waste.
- If you no longer need the swager, consider donating it to a local shooting or reloading club, or recycle it appropriately.
- Always check with your local waste management authority for guidelines on disposing of tools and equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRIMER POCKET SWAGER COMBO2, please refer to the manufacturer's contact information included with your product packaging. It is important to reach out to them for support or clarification on safety practices.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your PRIMER POCKET SWAGER COMBO2. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these guidelines, and happy reloading!
