

LUBE DIES - RCBS LUBE DIE #2

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Decap and lube cases in one step with the RCBS Lube Die. Designed for progressive presses but works just fine in single-stage presses. Four sizes cover 45 popular calibers. It's faster and cleaner than a lube pad; easy to refill with lubrican (RCBS Case Lube 2); standard 7/8"-14 thread.

Safety Instruction Guide for RCBS Lube Die #2

Introduction

Thank you for choosing the RCBS Lube Die #2. This product is designed to decap and lubricate cases in one step, ensuring a more efficient reloading process. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Read all instructions and warnings before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product if it appears damaged or malfunctioning.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Risk of inhalation or skin contact with lubricants.
- **Avoiding Hazards:**
 - Handle the Lube Die with care to avoid cuts or scratches.
 - Use lubricants in a well-ventilated area to minimize inhalation risks.
 - Store lubricants away from heat sources and direct sunlight.
- **Age-Specific Warning:**
 - This product is not suitable for use by individuals under 18 years of age without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure the press is unplugged or disengaged before installation.
- Screw the Lube Die into the press using the standard 7/8"14 thread.
- Tighten securely, but do not overtighten to avoid damage.

2. Usage:

- Before use, check that the Lube Die is clean and free from debris.
- Fill the Lube Die with RCBS Case Lube 2 as per the manufacturer's instructions.
- Place the cases into the die as per your press's operation manual.
- Operate the press according to the manufacturer's guidelines, ensuring hands are clear of moving parts.
- After use, clean the Lube Die to maintain performance and longevity.

Disposal Instructions

- Dispose of any used lubricants and packaging in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any inquiries regarding product safety or performance, please refer to the manufacturer's contact details provided with the product or on their official website.

By following these guidelines, you can ensure a safe and effective reloading experience with the RCBS Lube Die #2. Thank you for prioritizing safety while enjoying your reloading activities.
