

TURRET DEUXE RELOADING KIT - RCBS TURRET DELUXE RELOADING KIT

[Reloading](#) > [Reloading Kits](#)

With this kit you'll only need to add a Reloading Die Set and Shell Holder for the caliber(s) you intend to reload. Information on each individual kit component is described elsewhere in this catalog—see the index. Buy the kit and save about 10% of the price of each item separately. All RCBS reloading kits have been updated to include the Universal Case Loading Block, .17-.60 Debur Tool and the Accessory Handle—2.

TURRET DEUXE RELOADING KIT Safety Instruction Guide

Introduction

Thank you for choosing the RCBS TURRET DEUXE RELOADING KIT. This guide provides important safety information and instructions to ensure the safe use of your reloading kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of the reloading kit and all its components before use.
- Always follow the manufacturer's instructions and guidelines for safe handling and operation.
- Keep the reloading kit out of reach of children and vulnerable individuals.
- Use the kit in a wellventilated area to avoid inhaling any dust or fumes.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the reloading kit.
- Regularly inspect the kit and its components for signs of wear or damage. Do not use damaged items.
- Report any unsafe products or accidents to the authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Read all instructions provided with the reloading die set and shell holder before use.
- Ensure that the reloading die set is compatible with the caliber you intend to reload.
- Do not exceed the recommended maximum load for any cartridge.
- Always doublecheck powder measurements before loading cartridges.
- Avoid distractions while reloading; focus on the task at hand.
- Store all components, including powders and primers, in a cool, dry place away from direct sunlight and heat sources.
- Do not smoke or use open flames near reloading materials.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully remove the reloading kit from the packaging.
- Inspect all components for damage or missing parts.
- Ensure that the Universal Case Loading Block, .17.60 Debur Tool, and Accessory Handle—2 are included.

2. Setting Up the Reloading Kit

- Place the reloading kit on a stable, flat surface.
- Securely attach the reloading press to the work surface according to the manufacturer's instructions.

3. Installing the Reloading Die Set

- Select the appropriate reloading die set for the caliber you intend to reload.
- Follow the manufacturer's instructions to install the die set into the reloading press.

4. Using the Reloading Kit

- Begin the reloading process by following the stepbystep instructions provided with your die set.
- Always ensure that the press is fully engaged before pulling the handle.
- After reloading, carefully inspect each cartridge for defects before use.

5. Cleaning and Maintenance

- After each use, clean the reloading kit and its components to prevent buildup of residues.
- Store the kit in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Follow local guidelines for the disposal of hazardous materials, such as primers and powders.
- Do not dispose of reloading materials in household waste.

Contact Information for Further Support

For any inquiries related to safety or product support, please consult the manufacturer's website or customer service resources.

Thank you for prioritizing safety while using your RCBS TURRET DEUXE RELOADING KIT. Your attention to these guidelines will help ensure a safe and enjoyable reloading experience.
